Part I. Cover-up of the Greatest Fraud in U.S. History and the Life Threatening Jab

As you know, we are in unprecedented times, with great threats to our health and safety. Everyone I know who took the jab believed they were doing the right thing, and accepted Fauci's promise that the vax provides immunity and the best path back to normality. The evidence below shows this is a lie.

I. Corruption and Cover-up of the Greatest Fraud in American History

Dr. Luc Montagnier, Nobel Prize Winner in Medicine, referring to COVID-19 and the vaccines, stated: **"We are currently facing the greatest risk of worldwide genocide in the history of humanity."**

WWII holocaust survivors wrote to the European Medicines Agency demanding the injections to be stopped, which they consider to be a new holocaust.

COVID-19 and the Global Predators

- **We are in the middle of the biggest, most effective propaganda war in the history of the world, designed to make us helpless, obedient and docile. The end goal is to create a totalitarian world regime.**
- In 2015, a scientific paper announced they had the means to create a pandemic. The research was funded by the National Institute of Allergy and Infectious Diseases and carried out at the Wuhan Institute of Virology.
- The Communist Chinese Party has been working with SARS-CoV-type viruses since at least 2003, and there have been four different leaks of SARS viruses since then.
- In 2016, Bill Gates created a business plan for the World Economic Forum that details everything we're experiencing now.

. We know:

- Health leaders have done everything in their power to dismiss and attack any potential treatments for COVID, and are ignoring COVID job injuries and deaths.
- **The risk of dying from COVID-19 is less than 0.5% for all but the very old who have multiple co-morbidities.**
- Vaccine makers have no liability for vaccine injuries and deaths.
- Government started out enticing people to get the experimental shot using a variety of bribes, then moved on to forcing the shots using threats such as loss of employment, higher health insurance rates, loss of travel privileges, loss of right to health care in general and more.
- **The PCR test cannot be used to diagnose COVID-19 and the FDA has withdrawn the FDA's Emergency Use Authorization of the PCR test due to its inaccuracy.**

So we can list the following predators:

- Bill Gates and his organizations – GAVI, etc.
- CDC, FDA, WHO, BARDA
- Fauci and the NIH/NIAID
- Klaus Schwab and the World Economic Forum

The Vaccine Death Report – a Tsunami of Destruction

THE VACCINE DEATH REPORT –
Millions Have Died From The Injections

September 29, 2021, by Dr. David John Sorenson & Dr. Vladimir Zelenko MD

WHAT IS HAPPENING IS FAR WORSE THAN WE THINK

- The purpose of this report is to document how all over the world millions of people have died, and hundreds of millions of serious adverse events have occurred, after injections with the experimental mRNA gene therapy.
- VAERS data from the American CDC shows that as of August 26, 2021 already half a million people suffered severe side effects.
- The CDC is vastly underreporting adverse events, like severe allergic reactions (anaphylaxis). A recent study showed that the actual number of anaphylaxis is 50 to 120 times higher than claimed by the CDC.
- Maybe the worst example of criminal methodology used to hide vaccine deaths is the incredible fact that **the CDC doesn't consider a person vaccinated until two weeks after the injection. Therefore everyone who dies within the first two weeks after being injected is not considered a vaccine death, further skewing the data.**
- VAERS published 16,000+ deaths and 450,000+ adverse events, as of 8/28/21.

- A CDC fraud expert says that number of deaths is at least five times higher, and 150,000 reports have been rejected or scrubbed by the VAERS system.
- Moderna received over 300,000 reports of adverse events in only 3 months.
- **The Lazarus Report shows only 1% of adverse events are reported by the public.**
- **So the already high number of 450,000 adverse events can easily be many millions in the USA alone. (450,000 x 100 = 4,500,000)**
- Applying that to the rest of the world reveals a horrifying wave of destruction the likes of which humanity has never witnessed before.
- **What is even more concerning is that most adverse events only show up after two years. This means that the waves of death and disabilities in the coming years will be even exponentially greater.**

Shockingly, CDC Now Lists Vaccinated Deaths as Unvaccinated

Analysis by Dr. Joseph Mercola, September 15, 2021:

- According to the U.S. Centers for Disease Control and Prevention, **you're not counted as fully vaccinated until a full 14 days have passed since your second injection in the case of Pfizer or Moderna, or 14 days after your first dose of Janssen, despite the fact that over 80% of deaths after the vaccines occur in this window of time. How convenient!**
- Anyone who dies within the first 14 days post-injection is counted as an unvaccinated death. Not only does this inaccurately inflate the unvaccinated death toll, but it also hides the real dangers of the COVID shots, as the vast majority of deaths from these shots occur within the first two weeks.
- The CDC also has two different sets of testing guidelines — one for vaccinated patients and another for the unvaccinated. If you're unvaccinated, CDC guidance says to use a cycle threshold (CT) of 40, known to result in [a HUGE number of] false positives. If you're vaccinated, they recommend using a CT of 28 or less, which minimizes the risk of false positives.
- **The CDC also hides vaccine failures and props up the “pandemic of the unvaccinated” narrative by only counting breakthrough cases that result in hospitalization or death.**
- Hospitals are still also reporting non-COVID related illnesses as COVID-19 illnesses and deaths.

I am Spartacus

- **India went against the instructions of the WHO and mandated the prophylactic usage of Ivermectin. They have almost completely eradicated COVID-19.** The Indian Bar Association of Mumbai has brought criminal charges against WHO Chief Scientist Dr. Soumya Swaminathan for recommending against the use of Ivermectin.
- The opposition to the use of generic Ivermectin is not based in science. It is purely financially and politically-motivated. An effective non-vaccine intervention would jeopardize the rushed FDA approval of patented vaccines and medicines for which the pharmaceutical industry stands to rake in billions upon billions of dollars in sales on an ongoing basis.
- The majority of the public are scientifically illiterate and cannot grasp what any of this even means, thanks to a pathetic educational system that has miseducated them. You would be lucky to find 1 in 100 people who have even the faintest clue what any of this actually means.
- **By inoculating people with a vaccine that causes their bodies to produce spike in-situ, they are being inoculated with a pathogenic protein, a toxin that may cause long-term inflammation, heart problems, and a raised risk of cancers.** In the long-term, it may also potentially lead to premature neurodegenerative disease.

II. How Life Threatening the COVID-19 Jab Really Is

These Vaccines Are NOT Vaccines

- These vaccines are NOT vaccines (they don't fit the legal definition of vaccines), but are **self-replicating 'spike protein' depopulation bioweapons**. The spike proteins attack virtually all body parts and organs of a human being. They have been scientifically proven to cross the blood-brain barrier, attacking the whole brain and nervous and muscle systems. In addition to spike proteins, the vaccines also contain toxic graphene oxide, metallic magnetic nano-particles, prions, and dark matter. <https://444prophecynews.com/2-new-pandemics-are-coming-part-2-ewm/>

- A 2017 Yale study found the situation is even more dire than that, showing nearly 1 in 3 FDA approved drugs ends up having new safety issues detected in the years following approval.

Mass Vaccinations Are Causing the Variants

Nobel Prize winner: Mass COVID vaccination an 'unacceptable mistake'

- May 19, 2021 ([LifeSiteNews](#)) – French virologist and Nobel Prize winner Luc Montagnier called mass vaccination against the coronavirus during the pandemic “unthinkable” and a historical blunder that is “creating the variants” and leading to deaths from the disease.
- “It’s an enormous mistake, isn’t it? A scientific error as well as a medical error. It is an unacceptable mistake,” Montagnier said in an interview translated and published by the [RAIR Foundation USA](#) yesterday. “The history books will show that, because it is the vaccination that is creating the variants.”

Local Detroit TV Asks For Stories of Unvaxxed Dying from COVID – Gets over 182K Responses of Vaccine Injured and Dead Instead

By [Brian Shilhavy](#), Editor, Health Impact News September 14, 2021

- The corporate media narrative that unvaccinated people are filling up the hospitals and dying from COVID is quickly falling apart, perhaps faster than they even expected.
- **WXYZ TV Channel 7 in Detroit asked their viewers on their [Facebook Page](#) last Friday to direct message them if they lost a loved one due to COVID-19 if they refused to get one of the COVID-19 vaccines.**
- **[Their Facebook Page, as of the time of publication today, received over 182,000 comments, and they seem to be all comments of those who have lost loved ones after receiving a COVID shot.](#)** I did not see a single one stating that they lost someone to COVID after refusing a COVID-19 shot.
- What WXYZ will do now? Will they do what most corporate media companies do, fueled by almost unlimited resources from their billionaire Wall Street owners who are almost all connected to the pharmaceutical industry, and just go out and hire actors instead to do the story and make them up?
- Here are a few screen shots of the comments that are representative of what people are posting, in case they do take this down:

My parent's neighbor woke up the next morning after the shot suddenly completely deaf. His doctor told him it's from the vaccine and if his hearing didn't return within a few weeks he will be permanently deaf. He is now permanently deaf.

Our rabbi's mentor (a very prestigious rabbi) was recovering from covid in a rehab facility. He was doing well, walking and about to be discharged home. The facility forced him to take the vaccine because it became their policy, even though he refused. He immediately developed paralysis in one arm. They then forced the second shot on him, he refused again, but the facility insisted. After the 2nd shot he developed complete, progressive paralysis and died.

Why do we not see these stories in the news? Why are journalists silent on the thousands of vaccine injuries leading to permanent disability and death? What happened to honest journalism? Please report these stories in the news!

mRNA Technology Was Tested on Mice, and They Died

- These fake vaccines were tested. All the animals died from the tests. They did plenty of testing.

- The mRNA technology in the vaccines is lethal, and has been tested.
- When they first tested the mRNA technology, they tested it on humanized mice. Within 2 months, 100% of the mice died.
- Then they injected it into monkeys, also with a 100% death rate. In autopsies, they found mRNA in every organ of the body.
- Doesn't sound good for the human race.

Absolute Risk Reduction for Children Taking the CV Shot is 1-2%

- **While Pfizer claims its vaccine is 95% effective, this is the relative risk reduction. The absolute risk reduction — which is far more relevant for public health measures — is actually less than 1%.**
- While benefits from COVID "vaccination" in children between the ages of 12 and 15 are rare and short-lived, side effects are common and long-term effects are completely unknown.
- **In the 12-to-15 age group, 75.5% experienced headache, along with a long list of other transient side effects.** Serious systemic adverse events occurred in 2.4% of the trial subjects receiving Pfizer's mRNA shot.
- While Pfizer boasted a 100% efficacy rate in 12- to 15-year-olds, this conclusion is a statistical trick. 98% of them would not have gotten COVID anyway. So the vaccine would keep half of the remaining 2% from getting COVID, so the benefit is small. https://articles.mercola.com/sites/articles/archive/2021/06/29/children-covid-vaccine.aspx?ui=4eabd88b2456fc59f17f77bb7bf09bc7dbef11d8363910eb1d777981ad65f549&sd=20200610&cid_source=dnl&cid_medium=email&cid_content=art1ReadMore&cid=20210629&mid=DM922859&rid=1195750905

U.S Army Physician Warns About Toxic Ingredients in COVID Shots

September 29, 2021 10:51 AM By [Centre for Research on Globalization](#)

<https://z3news.com/w/u-s-army-physician-warns-about-toxic-ingredients-in-covid-shots/>

Physician and Army Lieutenant Colonel Theresa Long is a rare, courageous truth-teller willing to probably jeopardize her military career for the greater good. Her statements:

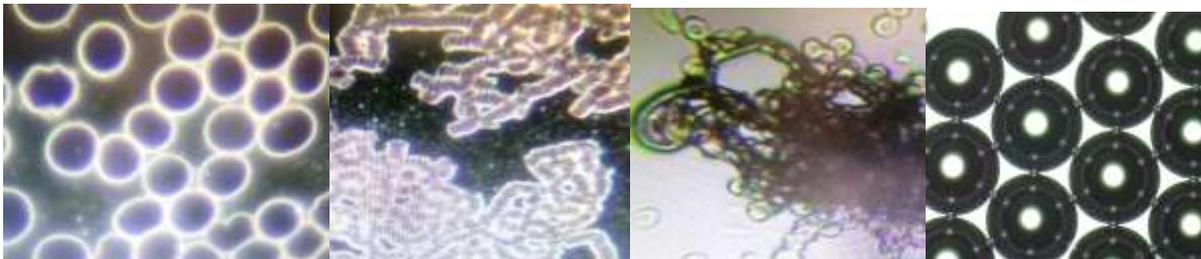

- **Vaccination with mRNA increases the risk of myocarditis. Myocarditis carries a mortality rate of 20% at one year and 50% at 5 years.**
- In the Pfizer vaccine, one of the primary ingredients of the Lipid Nanoparticle delivery system is ALC 1035, a toxic material with no prior medical use history. It comprises between 30-50% of the total ingredients.
- **Another ingredient in the vaccine is Polyethylene Glycol, the active ingredient in antifreeze. There have been countless cases where people have been fatally poisoned with this chemical.**
- Moderna's key ingredient, SM-102 is deadly.

- Natural immunity provides a 13-fold better protection against Covid 19 infections than any currently available Covid-19 vaccine, but the Department of Defense does not recognize a military member's prior natural immunity to Covid 19.
- I personally observed the most physically fit female Soldier I have seen in over 20 years in the Army, go from collegiate level athlete training for Ranger School, to being physically debilitated with cardiac problems, newly diagnosed pituitary brain tumor, thyroid dysfunction within weeks of getting vaccinated.
- Numerous Soldiers and DOD civilians have told me of how they were sick, bed-ridden, debilitated, and unable to work for days to weeks after vaccination.
- Direct evidence exists and suggests that all persons who have received a Covid 19 vaccine are damaged in their cardiovascular system in an irreparable and irrevocable manner.
- Due to the Spike protein production that is engineered into the user's genome, each recipient of the Covid 19 Vaccines already has micro clots in their cardiovascular system that present a danger to their health and safety. Such micro clots over time will become bigger clots by the very nature of the shape and composition of the Spike proteins being produced and said proteins are found throughout the user's body, including the brain."
- We must evaluate and immediately implement alternatives to mRNA vaccines, to include Ivermectin (FDA approved 1996) ...and Hydroxychloroquine (FDA approved 1955).

Never Before Seen: Blood Doctor Reveals HORRIFIC Findings After Examining Vials

- Blood Specialist Dr. Zandre Botha was shocked after studying the blood of vaccinated patients that were coming to her with a serious illness after being injected with the shots being called Covid vaccines.
- "I saw these weird black structures in patients who have had the vaccines that I have never seen before. They appear to be round black discs with metal connectors. It is not natural and too structured to be biological. They are very symmetrical, reflect like a metal, look engineered, and were self-assembling, which was very strange.
- I have never seen anything like this in 15 years of analyzing blood samples.
- I found this with every vaccinated person, and I was startled.

Note: The first image on the left is healthy blood cells. The next three are from vaccinated patients that show clumping of blood cells. The image on the far right at a higher magnification shows the cells connecting together like mechanical devices.

Damage to the Immune system after 2nd Covid Jab

Dr. Nate Thompson, Exemplify Health Center, Northfield IL:

- We tested immune systems of an individual before he got the vax, after the first shot, and after he got the second shot.
- This medical testing is verifiable proof of how the immune system changed from before the first jab to after receiving the vaxx.
- **After receiving the vaxx, his adaptive immune system absolutely tanked and has been pummeled within the month after receiving the vax.**
- If a person just looked at the lab results, they would see **this person has autoimmunity (the fastest growing illness in the US) and his ability to handle any other viral infection is greatly diminished.**
- We are looking at 150-180 million people with this condition. There are a lot of people who are suffering. <https://vidrebel.wordpress.com/2021/10/04/the-democrat-party-will-not-survive-the-deep-state/>

Locusts From the Pit of Hell – Norman Gauthier PH.D.

Posted by [444 Prophecy News](#) on [2021/10/05](#)

The morning of September 28, 2021, after several days of intense prayer, the Holy Spirit began revealing, not only the physical, but the spiritual significance of a video I'd watched of an interview with Dr. Carrie Medej (link below), and prompting me to share what was being shown.

When Dr Medej first observed the alien-like creature moving in the contents of the Moderna vaccine, she became frightened. This unknown creature was moving under the cover slip coming towards her. It appeared to be aware of her as it climbed up trying to reach the objective lens of her microscope.

The creature definitely had appendages of from 4 to 6 legs. It had an elongated thin body, a head with 2 eyes, and a pair of antennae. **What is an apparent insect micro-bot doing in a Moderna vaccine sample?**

If this identity information is correct [i.e. a praying mantis-type creature)] then it would make an excellent candidate for **making and developing a swarming locust micro-bot to invade, monitor levels of function, transmit (it has antennae), control genetic coding and cellular replication – in theory.**

It is of interest to review the acronym used for **this new vaccine company MODERNA. Rearranging its name: Mode-RNA = modification of RNA.** Nanotechnology recombinant DNA and MRNA to our genetic code using non-human sources, such as insect genetic sources, would be deleterious and cause abnormal changes. In essence, you would be hybridized, genetically transformed, and become trans-human. This process would ultimately end humanity as we know it.

The mantis is in the locust family! The word "locust" is used generally in the Bible. **It appears they are making the forerunner of the Revelation 9 locusts in the form of a micro-sized bot to attack mankind.** It's being placed in a devil's potion, along with other toxic

ingredients, and inserted directly into our vascular system. These locusts then have access to every organ within the human body to do what they've been programmed to do.

If any reading this have already been “bitten” by the serpent, and unknowingly taken this devil’s potion into your body, I urge you to go before the Lord in repentance, and plead the blood of Jesus over every cell of your body; over every strand of your DNA, for total cleansing and restoration. It’s been shown there is a short window to do this. Dr. Carrie Medej Interview

There is a Living Creature Inside the Vaccine. It is Immortal. The “Hydra Vulgaris”

Posted by [444 Prophecy News](#) on [2021/10/07](#)

- Is this nasty thing eating away at people’s nervous system? Hydra vulgaris, the fresh-water polyp, is a small animal freshwater hydroid with length from 10mm to 30mm and width about 1 mm. The hydra have four to twelve tentacles that protrude from just outside the mouth. It is reported that they do not undergo senescence, making them biologically immortal.
- The evidence of intelligent self-assembly of nanotechnology and intelligent filament movement is an indicator of synthetic biology and nanobioelectronics, and points to **the stealth inclusion of Graphene Oxide in the Moderna vaccine for electromagnetic manipulation of cells and neurons via the creation of synthetic neural networks in the human body and brain.**
- **This is a clear sign of malfeasance and intended transhumanizing and cyborgizing of the human body through the COVID vaccines.**
- It must be remembered that both Pfizer and Moderna developed the Transhumanist mRNA vaccines for DARPA, on DARPA contracts from 2013.

They Cannot Test for a “Delta Variant”, so How Can They Say There is a Surge? Deaths from the Delta Variant Are Really People Being Killed by The Vaccine!

- **They cannot even test for a “Delta Variant”. If you cannot test for it, how can you say people are dying from a surge of it? The vaccine is the killer.**
- So now they will be shoving a booster shot at people for a variant they can’t test for? If you cannot test to see if someone has the so called fake “Delta” variant then how do you know to give them a booster for it?
- **COVID vaccinated are becoming the new COVID superspreaders – it is a train wreck in progress.**
- Inside whistleblowers - COVID testing is fraudulent and unscientific; zero proof tests are legit.

Covid Truths – Blood Clots and Death Rates

Posted on September 7, 2021

- These are the covid survival rates for people in the US by age group:
0-19: 99.997%; 20-49: 99.98%; 50-69: 99.5%; 70+: 94.6%; 70+ : 97.6% survival rate if you are 70+ and don't go to the hospital.
- If these survival rates are not high enough for you, you could take 1,000 IUs of Vitamin D-3 daily which was given to everyone in Andalusia in southern Spain. It reduced death rates 82%.
- **62% of all vaxxed patients tested by a doctor in Canada had blood clots. This was found through D Dimer tests.**
- By the way, Nattokinase, a Japanese developed enzyme, dissolves blood clots. You might also try Cayenne pepper in capsules but not as a replacement for the Nattokinase.
- **The CDC has admitted that only 6% of those claimed to have died from covid actually died from covid. The rest died with covid, maybe. They paid people to write covid on the death certificates.**

III. Boosters Are Bad

BOOSTER NEWS - First U.S. Lab Examines "Vaccine" Booster Vials, Horrific Findings Revealed

Wednesday, September 29, 2021 15:21

Dr. Carrie Madej:

- A local lab in Georgia asked me to look at a vial of a Moderna booster shot.
- Colors appeared; superconducting material can do this. **Fibers started to appear, along with metallic fragments. Self-assembling was going on; one object/organism had tentacles in it, and lifted itself across the glass slide. It appeared to be able to move in space. It appeared that it was self-aware, and knew we were watching it.**
- Johnson and Johnson vial also had graphene-like structures, with fatty substances (hydrogel). They are lying about not having nanoparticles in the Johnson and Johnson.
- **I have never seen anything like this. What will these injections do to a child? I started crying when I saw them the second time. They want to push this into our children.**
- I talked with nanotech engineers, who said this is superconducting material, like a supercomputer. This is proof that they are putting an operating system into people, and this is true for both the Moderna and Johnson and Johnson samples we observed. Everything is pointing to the beginning of transhumanism, and being able to spy on people.
- **GAVI – Bill Gates’ organization of vaccine manufacturers, is testing this in west Africa. They are using Mastercard and inserting a digital ID through COVID-19 vaccines, so the only way they can buy and sell is through their digital ID and Mastercard.**
- All of their medical information is downloaded into this digital format in their body. If this substance (hydrogel) is inside of them, why not use it for surveillance and predictive policing? They have been doing this in west Africa since July 2020, and they want to roll it out to all western nations.
- They call it the Wellness Pass, or vaccine passport. They have to put something in your body to monitor what we are doing - artificial intelligence. We can't trust them – the vaccine companies have lied to us before.
- **People need to really think about what is happening right now, and don't rush into something you may later regret. I think it is in the realm of spiritual warfare.**
- **We are children of God, and should not take this. [DON'T TAKE THE BOOSTER!!!](https://beforeitsnews.com/prophecy/2021/09/new-stew-peters-dr-carrie-madej-first-u-s-lab-examines-vaccine-vials-horrific-findings-revealed-2524291.html)**

BOOSTER SHOTS: The Deadly HOAX Will Cause MASS DEATH!

Dr. Jane Ruby:

- They are doing Phase 1, 2, and 3 studies of the vaccine at the same time; **this is unprecedented and dangerous. There were no separate studies on the booster.**
- The booster shot is nothing more than a full dose of the Pfizer 2 shot series. (Generally speaking, a booster is a smaller dose.)
- Pfizer came out with their data, and FDA approved it, focusing on people 65 and older, along with long-term care residents. **They didn't study the vaccine for these people!**
- A whistleblower from Pfizer said **the infection rate before being vaccinated is 1.3%, but the infection rate jumps to 4.34% after receiving the vaxx. That is a 300% increase in CV infections!** They are not preventing any infections; they are increasing them.

Two FDA Officials Resign Over White House Booster Shot Decision

By Natasha Hogley, published October 4, 2021

- Two senior officials of the U.S. Food and Drug Administration (FDA) have stepped down from the COVID vaccine review team at a critical time in the approval process.
- Marion Gruber, PhD and Phil Krause, MD made the “final straw” decision to officially resign over the White House’s decision to publicly recommend the administration of Pfizer COVID-19 booster shots ahead of the FDA’s formal scientific review of booster shot data.
- Following announcement of their departure, **Krause and Gruber along with 16 other international researchers published an article in *The Lancet* concluding that the evidence shows the average fully vaccinated person does not need a COVID vaccine booster at this time.**
- The FDA voted against Biden’s vaccine booster plan.

The Rest of the Story Part I: BOOSTER DANGER! FDA WARNING!!! – Tasha Renae & AD Bell

Posted by [444 Prophecy News](#) on [2021/09/02](#)

March 27, 2021 - Very vivid dream last night. In the dream, there were several doctors in this huge lab. I saw many **Covid vaccines** in huge coolers with blue lights, and on the left

wall, I saw rats in incubators. One incubator that had six months on it and the rat had morphed into a different looking animal. Another incubator that had 8 months on it and that rat had gone completely mad. It was foaming at the mouth and in a rage beating on the glass. I saw some rats that were dead in the incubators.

Then I saw this one doctor that said these words **“WE MUST STOP THE VACCINATIONS!! THERE IS NO WAY WE CAN CONTINUE TO DO THIS. LOOK AT WHAT ITS DOING TO THE RATS. WE WERE NOT READY TO RELEASE THIS VACCINE”** Another doctor said “Well it’s too late for that now.” The doctor took her lab coat off and said “I can no longer do this and I will not be a part of this catastrophe that is going to happen” As she walked out, two guys looked at each other, nodded their heads, and followed her out. I woke up, turned on my worship music and started praying.

HEAR THIS IN THE HOLY GHOST!!! SOMETHING MAJOR IS ABOUT TO GO DOWN. THOSE RATS IN THE LAB WERE NOT OK. WE NEED TO BE PRAYING AND FASTING LIKE NEVER BEFORE!

The Rest of the Story, Part II: FAST FOWARD TO TODAY!!

AUGUST 1, 2021, *BYAD BELL*

I went to my yahoo to check my emails this morning, and on the front page, I see the headlines titled **“2 top FDA officials resigned over the Biden administration’s booster-shot plan, saying it insisted on the policy before the agency approved it, reports say”**.

<https://www.businessinsider.com/2-top-fda-officials-resigned-biden-booster-plan-reports-2021-9>

The Lord immediately reminded me of our sister’s dream above. I then pondered that she had shared with me that **the woman was a Caucasian blonde-haired woman in her dream in the doctor’s attire who had stormed out due to the shot being released too soon after they saw how it was killing, disfiguring, and/or making the rats go insane they were testing it on.**

Lo and behold, I googled **one of the director’s name, Dr. Marion Gruber, and sent the picture to my close sister who had the dream, and she said it shook her, because that was indeed the exact woman she saw walk out and quit.** That was months ago Jesus gave her the dream. **Our God is the only true living God!!! He reveals to his beloveds. Jesus is Lord!!!**

Well, in the headlines, that woman, one of the head FDA directors has indeed quit, because our government (Biden Administration) allegedly chose to implement the booster-shot plan before they (the FDA) even approved it, just as our sister saw in her dream. Here we have it!!! **People do not inject yourselves with any of it, especially not the one that’s up next, the booster!! PRAY SAINTS!!!**

IV. The Groups That Have Been Exempted from Getting the Vaccine: This Will Astound You

The Groups That Have Been Exempted from Getting the Vaccine

October 3rd, 2021

- **The groups that have been exempted from getting the vaccine: all of Congress and congressional staff members (both House and Senate), 6,000 White House employees, 2,500 Pfizer employees, 1,500 Moderna employees, 120,000 Johnson and Johnson employees, 15,000 CDC employees, 14,000 FDA employees, 8 million Chinese students in this country (85-90% of whom are members of the Chinese Communist Party or People's Liberation Army), 2 million illegal invaders, and 500,000 homeless and street people.**
- **What is going on here? Whoever is planning this wants these people to survive and take a significant role in the future of our nation. The rest of us must get injected or lose our jobs and be refused admission to everyday venues.**
- **If the vaccines work, which they don't, they would be protecting these people. But they're not. The vaccine is a failure.**
- **The vaccine is a coming mass genocide. Politicians and pharmaceutical companies want no part of the coming kill off [i.e. they don't want to die from taking the vax].**
