Preparing Christians for Major Events That Will Take Place in the United States in the Near Future

March 2022 Issue, Part I

We Are Moving Toward Hyperinflation, With Skyrocketing Food and Gas Prices

Welcome to this issue of Life in the Spirit Newsletter, dedicated to preparing us for events that will take place in the near future. This is for the remnant warrior bride of Christ, and all who seek to know the truth: **“And you shall know the truth, and the truth shall make you free.” John 8:32**

The Lord is calling each of us to be His witness in these end times. But we are not to be fearful, but to march forward with boldness, for we were created to be His witness at this time in history.

Part I. We are Moving Toward Hyperinflation, With Skyrocketing Food and Gas Prices

The pace of events is speeding up, so it is important to understand what is happening and how best we can respond and prepare – physically, financially, psychologically, and especially spiritually. As always, **QUESTION EVERYTHING**, do your own research with multiple sources, and take everything to the Lord for confirmation or rejection.

Amos 3:7 says the Lord always warns His people before He does something, and the New Testament affirms that the Holy Spirit will tell us of things to come beyond what Christ revealed to His disciples:

“I still have many things to say to you, but you cannot bear them now. However, when He, the Spirit of truth, has come, He will guide you into all truth... and He will tell you things to come.

John 16:12-13

Global Crop Collapse Now a Certainty... Widespread Famine to Plague Planet Earth From 2022 – 2024... It Is Set in Motion and Cannot be Stopped

ECONOMIC SANCTIONS TO CAUSE GLOBAL CROP COLLAPSE, WIDESPREAD FAMINE

- **A convergence of horrifying events have set into a motion an irreversible collapse of food production and crop harvests that will lead to global famine all the way through 2024.** These events cannot be stopped for the simple reason that plants take time to grow. You can't create crops instantly, and if they don't get planted (or they get destroyed), there's no instant replacement.

The reasons for the coming global famine include:

- Floods and droughts causing sharp drops in crop production in China, Russia and the USA, among other nations.
- Economic sanctions against Russia, halting exports of food and fertilizer.
- War in Ukraine, halting the 2022 planting season for wheat, corn, and soybeans,
- War in the Black Sea blocking shipping in ports which normally export crops.
- Biden shutting down fossil fuel production in the USA, adding significant costs to fertilizers and agricultural operations.
- Global fiat currency money printing, making food inflation reach atrocious levels.

Importantly, all this coalesces into two primary problems that will now accelerate across the world:

1. Food SCARCITY
2. Food INFLATION

The Great Reset Will Be Forced Upon America by Biden's Two-Pronged Attack Upon the American Food Supply

Submitted by Dave Hodges on Monday, March 7, 2022

Attack Strategy #1- The 7 Elements of a Progressive Attack Upon the American Food Supply

There are seven key factors present in the present administration's handling of issues directly and indirectly related to food supplies and food availability. I have rank-ordered them in order of perceived importance with #7 providing the greatest threat.

1. The government has allowed China to own 34 million acres of farm land, and Bill Gates is the single largest owner of farm land in America. These two entities will not hesitate to use their influence to wreak havoc on a population.

2. Most farmers require affordable loans made available by various federal programs. When Biden came into office, he disallowed White farmers to apply for these loans.

3. America imports part of its food supply. The impaired supply chain, brought about by the contrived “Wuhan Flu”, may make foreign food unavailable.

4. Biden's deliberate gutting of America's energy producing capabilities have greatly compromised the affordability of food. All publicly sold food is shipped. When gas that is approaching \$4, \$5, \$6 per gallon, depending on location, gives way to \$8, \$9 and \$10 per gallon, people will not be able to afford food.

5. At the beginning of the so-called "pandemic", the 19 meat packing plants were closed down and millions of cattle were ordered to be slaughtered. Today, 4 of these plants are reopened, only one being of significance. Guess who is the controlling country is in these ventures.

6. American farmers are facing a profound fertilizer shortage. And even when they can get fertilizer, the price has skyrocketed and the cost will be passed along to the consumer. Soon, a significant percentage of Americans will not be able to afford to feed their families.

7. The most important consideration with regard to the assessment of food availability in the United States comes back to war. Food will go to the war effort!

Attack Strategy #2 - The Administrative Law Control of Food and Food Distribution

When America looks at the subject of controlling the population through contrived food shortages, we have to begin and end with a segment of an Obama Executive Order (13603) to fully grasp how complete the ruling Communist Party will be with regard to food. In 2011, Obama enacted EO 13603 which allows for the introduction of slave labor and the control of all food into America. Here are excerpts from that executive order:

“Food resources” means all commodities and products, (simple, mixed, or compound), or complements to such commodities or products, that are capable of being ingested by either human beings or animals, irrespective of other uses to which such commodities or products may be put, at all stages of processing from the raw commodity to the products thereof in vendible form for human or animal consumption. “Food resources” also means potable water packaged in commercially marketable containers, all starches, sugars, vegetable and animal or marine fats and oils, seed, cotton, hemp, and flax fiber, but does not mean any such material after it loses its identity as an agricultural commodity or agricultural product. “Food resource facilities” means plants, machinery, vehicles (including on farm), and other facilities required for the production, processing, distribution, and storage (including cold storage) of food resources, and for the domestic distribution of farm equipment and fertilizer...”

War Will Cause “Hell on Earth” For Global Food Prices

World heading for “catastrophic global food crisis.”

The world is heading for a “catastrophic” global food crisis as a result of the war in Ukraine, which will cause “hell on earth” for food prices, according to experts.

“Half the world’s population gets food as a result of fertilizers... and if that’s removed from the field for some crops, [the yield] will drop by 50%,” Svein Tore Holsether, head of agri company Yara International, told the BBC.

Known as “the breadbasket of Europe,” Russia and Ukraine export around a quarter of the world’s wheat and half of its sunflower products, such as seeds and oil.

“For me, it’s not whether we are moving into a global food crisis – it’s how large the crisis will be,” said Holsether, noting that increasing gas prices were causing a steep rise in the cost of fertiliser.

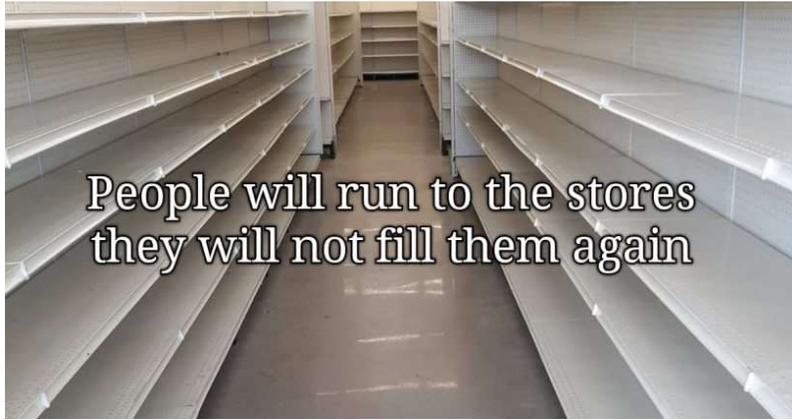

David Beasley, the head of the World Food Programme, was if anything even more pessimistic with his comments: “Just when you think hell on earth can’t get any worse, it does,” he said.

NO FOOD! – Anna Hamblett

I spoke to Jesus first thing this morning about the complaining spirit in Christian's. How they push away things because that are not perfect from food donations and hygiene donations, a few days past expired. **Jesus put it into my spirit that there will be NO food during the tribulation. NO food! NO stored-up food.**

People will run to the stores and they will not fill them again. Robbing and looting and then you will be in FEMA camps and given the mark of the beast. Humble yourself so you do not starve. Repent for bring prideful and live within your means.

Are you ready to barter, food for hygiene and soap? Jesus told me months ago to stock up on everything! Jesus told me yesterday, there will be food shortages in April.

Take this to prayer. Repent. Get your spiritual house in order. Choose this day whom you will serve. Death comes daily, to someone. There is never time to get ready for Jesus, you must be ready be living holy.

Proverbs 11:2 *When pride comes, then comes disgrace, but with the humble is wisdom.*

**EARTH'S GLOBAL FOOD SUPPLY
WOULD BE CUT EXACTLY IN HALF**

Prophetic Dream/Word received Sunday, September 5th 2021 7:30PM CDT

- I heard the Holy Spirit of The Lord Jesus say that **within two to three years (that would be 2023-2024) our earth's global food supply would be cut exactly in half.**
- I also heard from Jesus' Holy Spirit that, even **although the global food supply would be cut in half that: Red Grapes/Wine, Olives/Olive Oil would remain plentiful and Bread/Grain (Barley/Wheat) would also remain plentiful though its price will skyrocket.**
- **This Word from Jesus encourages us that we should continually stock up on both the physical AND Spiritual Holy Elements of Jesus' Holy Communion and Healing Balm of Gilead.** We need to ready ourselves daily to invite The Presence of Jesus' Holy Spirit so that we are being continually infilled to overflowing.
- I was also told by Jesus' Holy Spirit to tell the Endtime Remnant of Jesus that the participation by, investing in or being involved in, the growing, harvesting, production, refinement and/or distribution and/or storing of these three Scriptural Holy Elements will be honored by Yeshua Ha Mashiach. All three are part of the sacrament of Holy Communion and for the sacrament of Anointing of Oil which is used for healing the sick and in anointing kings and given to holy priests for service to Jesus. The saints of God are all considered priests and kings since we are fellow heirs of our King of Kings and the High Holy Priest, Jesus in The Order of Melchizedek.
- **We have a Merciful and Mighty Jehovah God! Jesus will not abandon any of us or leave us in the street begging for bread. No! Even if Jesus has to send a raven or an angel, Jesus will provide for every one of His lambs! Jesus is our good shepherd! Amen? Amen.** *Michelle Katherine Orts, Daughter to King Jesus and wife to husband Reverend David Orts*

World Food Crisis Created To Enslave Us

Posted on [March 16, 2022](#) by [horse237](#)

“Who controls the food supply controls the people; who controls the energy can control whole continents; who controls money can control the world.”
Henry Kissinger

The Globalists have used several means to drive up food prices. The EU, which in the past I have referred to as Rothschild land, requires farmers to set aside a percentage of their land to be fallow so that they can combat Global Warming by reducing carbon emissions.

They have timed their real-life starvation games to coincide with our entering a period of increased volcanoes and earthquakes much like the Maunder Minimum of 1645 to 1715 when bad weather spiked wheat prices 400% higher in the UK in certain years. In 1709 three volcanoes around Europe erupted sending so much ash into the sky that it caused the Big Freeze. The top meter (nearly 40 inches) of the soil in France froze causing food prices to shoot up 600%.

There is a lot of profit to be made from higher food prices. The World Economic Forum at Davos has said that by 2030 you will own nothing. You will have to lease your home and your car and even your clothes from billionaires. How is that likely to happen? The only way I can think of is to raise food prices so high that you lose everything you used to have.

That is all by design. It transfers wealth from you to the Bankers. The only question is when, if ever, you will say No loudly enough so the 30 families [that run the world] can hear you.

PREPARE NOW! – Lynne Johnson

Your King Yeshuya wants you to know that all is going change and soon. This is the time for you to prepare for what is coming upon the earth. Be ready by being in My Word, praying to Me daily, and by storing food and water as much as you are able.

The resulting shortages which will occur once the judgments begin will shortly become a famine. You will need food and water to survive the time of the judgments before you are brought to Me. You will struggle to survive if you do not do so now while you are able. My children, the time of the judgments is not long but you must eat to survive and will be no food available during this time.

NO FOOD. What little there is left will be so expensive that very few will be able to purchase it, then it will be completely gone. Be aware of this and heed My warnings here. Many are just now awakening to this coming famine so I AM continues to warn you, children. Understand that the warnings in this area will cease soon. So prepare yourselves now while you are still able to. Remember to come to Me for counsel on who you may share food safely with.

Do not speak of stored food to anyone including family, friends, and so on until you have prayed to Me about it and gotten an answer. This is the Time of

the Wheat and Tares, most are Tares. They do not want to share your food. They want it all and are prepared to use force to get it. You do not know people's hearts as your King Yeshuya does, so heed My warnings, heed for your personal safety and that of your family. YOUR KING YESHUYA, YOUR REDEEMER, MESSIAH, BRIDEGROOM

No Warning! – Lynne Johnson

STORE FOOD AND WATER AS YOU ARE ABLE. UNDERSTAND THAT YOU MUST LIVE ON THIS FOOD FOR YOU WILL NOT BE ABLE TO BUY FOOD ONCE THE JUDGMENTS BEGIN

Your King Yeshuya would like you to know to understand that soon all will change. It will happen swiftly, there will be no warning and suddenly your world will be completely different. You must be ready for this time of incredible pain, loss, destruction and anguish. It will be like nothing that you have experienced before. It will be for many, bewildering as one moment your world was one way and then the next it was completely changed. It will never be the same again, as you will now know, understand that this is indeed the time of the End, the Time of Sorrows.

You must push through this by staying strong spiritually by being in My Word and praying to Me daily. By storing food and water as you are able. Understand that you must live on this food for you will not be able to buy food once the judgments begin. What food there is will be so expensive that most people will not be able to purchase it.

My children, the destruction will be unmeasurable; land and crops will be destroyed, jobs lost, and skilled labor gone. This is a very difficult time. Add to this, the Great Deception [demons posing as friendly aliens] will come. If you are not truly grounded in My Word, praying to Me every day, you stand a strong chance of falling to the immense pressure of the Beast System. The deception will be great, My Children. Be prepared My Children, for it is coming soon.

YOUR KING YESHUYA, YOUR REDEEMER, YOUR MESSIAH, YOUR BRIDEGROOM

Scriptures: DEUTERONOMY 32:34 *“They shall be wasted with hunger, devoured by pestilence and bitter destruction; I will also send against them the teeth of beasts, With the poison of serpents of the dust.”*

JOB 5:21-22 *“You shall be hidden from the scourge of the tongue, And you shall not be afraid of destruction when it comes You shall laugh at destruction and famine, And you shall not be afraid of the beasts of the earth.”*

Always Pray to Me Before You Go Out! – Lynne Johnson

<https://444prophecynews.com/always-pray-to-me-before-you-go-out-lynn-johnson/>

Your King Yeshuya wants His Children to realize that soon nothing will be the same on earth. Your way of life will be greatly changed. Are you truly ready for all that this entails? My Children, this is very serious for there will be much trouble, pain, loss, anguish and then famine.

At first it will appear to be a shortage, but then it will become apparent that it is not just a shortage but there simply is no more food. The grocery stores will be emptied and many people will become very fearful. Violence will escalate and it will simply not be safe to shop for food.

Do you see this? This is why you must store what you will require now while items are still available. This is most important, My Children. There will be destruction, lack of supplies to hospitals, medical clinics, and so on. Get what you required now; think ahead to what you may need for personal hygiene items, toothpaste, brushes, soap, bandages, and so on. Come to Me for counsel on this and I AM will help you, to guide you.

Be ready My Children for when the food, the items that you required are gone, then they are truly gone for good. Be aware of this and purchase items discretely. Do not bring attention to yourself when purchasing food. Be

discrete when bringing food home, remembering that nowadays many people have cameras, home security, they watch and see what you do, when you come and go.

Be very careful, do not attract attention to yourself. Always pray to Me before you go out anywhere now. Always! If I AM tells you “no, not today” listen to Me and you will be safe. Be guided by Me in what you do, where you go and such always. Be prepared My Children.

YOUR KING YESHUYA, YOUR REDEEMER, YOUR MESSIAH, YOUR BRIDEGROOM

Scriptures: Genesis 6:11 “The earth also was corrupt before God, and the earth was filled with violence.”

2 Samuel 22:3 “The God of my strength, in whom I will trust; My shield and the horn of my salvation, My stronghold and my refuge; My Savior, You save me from violence.”

You Will Overcome – Lynne Johnson

**IF YOU HAVE NOT STORED FOOD OR WATER
YOU HAVE VERY LITTLE TIME LEFT TO DO SO**

Your King Yeshuya wants His Children to know and understand that much will happen quickly. There will be little to no time to think out decisions, to prepare yourself, to ensure that you have enough food for the coming famine.

If you have not stored food or water, you have very little time left to do so. As you have already notice, food prices continue to escalate, soon many items will be too expensive to purchase for most people. When storing your food and water, ensure that you are discrete about this — that you do not share this information with anyone until you have spoken with Me and received an answer from Me.

Do not lean on your own understanding. I AM wants all His Children to be safe, protected. Remember that many things will happen quickly and soon. Be ready

My Children, for that which must come. Be wise and come directly to Me for your clarity, understanding, counsel. This is most important for all believers to follow. Do not be deceived, stay in My Word, pray to Me daily. By doing this, you will overcome.

PRICES WILL GO UP

NOW IS THE TIME TO BUY IN BULK, AT LOW PRICES, DRY FOOD, CANNED FOOD, BEANS, RICE, FLOUR, WATER MATCHES, CANDLES, MEDICINES

My Children, I AM wants you to know that I AM is warning His Children to get ready for what comes. I AM has requested that you listen to My prophet for her words to you are from Me, THE MOST HIGH, GOD ALMIGHTY, LORD JEHOVAH, LORD OF LORDS! Listen then to the warnings to stock up on food. You, My believers will be brought to Me soon, but you must go through the judgments first, and you will need food for this time. Although it is not long, you will still need to eat. Do you understand?

I have told you that prices will go up. They will be beyond most of you to be able to pay. So now is the time to buy in bulk, at low prices, dry food, canned food, beans, rice, flour, water matches, candles (smokeless) in case your power goes out, medicines, and so one. Do this now, start by getting water but do not let people know that you are doing this. Remember this is the time of family member against family member, neighbors, co-workers all will do this who are in need. They will remember this when desperate and will use physical force, if necessary to get your supplies. That is how desperate it will become.

Are you understanding Me now? DO NOT WAIT, START NOW. My Children, I AM warns for your safety and benefit. Take heed. Time is marching on and soon it will be very challenging for you to do this. Get prepared, get ready. Be discrete about your supplies. Pray to Me and when the need is there, I AM will direct you to people who you are to help or for them to help you. Do not share with

ANYONE that I AM has not directed you to! You do not know their hearts as I AM does and it could be dangerous to do so. TAKE HEED, MY CHILDREN FOR I AM LOVES YOU AND WISHES YOU TO BE PROTECTED. Pray for the lost and your fellow believers.

Fuel Shortages – Transportation Will Become a Luxury

FUEL SHORTAGES

**PEOPLE WILL NO LONGER BE ABLE TO VISIT
FAMILY EVEN THEIR YOUNG CHILDREN BECAUSE
TRANSPORTATION WILL BECOME A LUXURY.**

Your gas stations will soon experience greater attacks with fuel shortages becoming an ongoing problem. There will be enemies named and reasons given but they will not be the true reasons for your problems. It will be an excuse and a distraction from other issues, lack of food, lack of resources, lack of money and other necessities.

Soon, life will shift to dramatically different matters. Many will not be able to get to their jobs due to shortages, deliveries of important products will be delayed or be postponed possibly indefinitely. People will no longer be able to visit family even their young children because transportation will become a luxury. This along with the collapse of the financial markets and ultimately the entire economy are the long-term outcomes.

Trouble faces the economies of the world unlike any those living today have ever seen or imagined. You will have to make a choice. **You will either look at the situations based on the surface issues, that is how you are told the situation is through various news outlets, what you hear from your friends, neighbors and family and based on your personal experience OR you can cry out to me and get guidance for your next step based upon my knowledge.**

The window is about to close. Items that you assumed would always be available to you, will be hard to come by and at a much greater cost. Finances will become a great challenge for most. Your liberties will be restricted even more. Fear will permeate your interactions even more, and the quick flame of tempers will ignite around you and within you with little or no provocation.

You will need to stand and be vigilant like never before. You mind must be in constant connection with Me for guidance. I promise to keep those in perfect peace if their minds and hearts are focused on Me. Trust in Me and do not lean on your own understanding. Do not trust in your things. Do not trust in your bank account, your gold, your bitcoin, or your investments. Trust Me!

Search Me and know Me, I am there in the midst of great darkness. Learn to discern and always hide in Me. I love you.

~Handmaid of the Most High~ Acts 2:18-19, Psalm 37:30

As Current Events Continue To Devastate Our Food Supply Chain, Biblical Warnings Of Famine, Starvation, Food Production And Food Storage Apply Heavily To Us All Today

- These lockdowns have already set in motion a reduction in the food supply. You can see plenty of videos where farms lost 100% of their crops because they could not get the food into the supply chain.
- **We see that food prices should rise between 2022 into 2024 more aggressively but this should be from shortages.** There is a 17.2-year cycle in famine. This is what has emerged from our database which extends back to 2200BC.

- There are times when famine results in war. The last major famine, for example, in North Korea (1994-1998) killing at least 600,000 from starvation. **This next famine will begin in 2022 and will extend into 2028/2029 in varying parts of the world.**
- **The Great Reset is also pushing the crisis in reducing the food supply at a time when we should be stockpiling it. The plandemic is just a part of the globalists Satanic plan to depopulate the Earth and includes pre-planned starvation, pre-planned famine.**
 - **The concept of food shortages has gone from theoretical to real. Food shortage is no longer a conspiracy theory. While there's still some time to prepare, events are unfolding quickly and the global supply chain is no longer a reliable source of food.**

PRAY OVER ALL FOOD & DRINK SOURCES! – A Sister In Christ, Tammy

- **DREAM: I was attending a banquet. Everyone was in a line and going through a buffet style food line. At this point I knew what we were being given was not good for us and had been tainted or modified to cause physical or spiritual harm to each person that ate it. I knew I needed to rebuke any evil cast over or placed within the food or drink being served and any that we had eaten and allowed into our bodies.**
- **Our food sources are being tainted, poisoned & genetically modified with substances that change who we are (and will continue to change us); how we respond and behave; our physical, mental & emotional state of mind; and very much effects our spiritual life and our intimacy with the Lord.**
- **Because of what is being done to our food and food sources we must ALWAYS PRAY over ALL food and drink we consume or serve. Pray over**

our groceries when they are purchased and brought home for consumption (this way anything we use or snack on is covered). Pray over all meals (at home or eaten out); fast food; and even meals and drink consumed at friend's homes or at work. ALL FOOD & DRINK SOURCES!

- **We must also pray over the food and drink of our pets, livestock & even wild animal as all are being poisoned to turn them from their natural God created states.**
- **Lastly, we must be very aware that Satan gives us dreams and visions as well as the Holy Spirit. We MUST clearly discern where our revelations and messages are coming from.**

A Sister In Christ, Tammy, respectfully submitted as directed by the Holy Spirit.

Summary

We are living in extraordinary times; times none of us have ever experienced before. We will never return to life as it was pre-Covid, even that would be our desire. Although hyperinflation and famines have happened throughout history, a world-wide hyperinflation and famine is much less common. In hyperinflation, fiat currencies become worth less than toilet paper, and THINGS have value – food, land, tools, houses, precious metals, and other physical things.

We can now see the handwriting on the wall, and the forces at work to lead us to that very experience. So it is more critical than ever to draw close to the Lord, spend time with Him every morning, repent, forgive, and seek His love, mercy, and guidance in our daily lives as what we need to do and how we need to live, for we were created to live at this time in history.

And always remember Isaiah 40:31: “Those who wait on the LORD Shall renew *their* strength; They shall mount up with wings like eagles, They shall run and not be weary, They shall walk and not faint.”

Finally, be sure to watch for:

- **Part II: The Vax War Against Humanity Continues, and**
- **Part III: Time is Short Before Judgments Begin.**

Have a blessed day, and always watch for the hand of the Lord in your life.
