Preparing Christians for Major Events That Will Take Place in the United States in the Near Future

March 2022 Issue, Part II

The Vax War Against Humanity Continues

Plus a special report on a 100+ nation plan to dump the dollar

Welcome to Part II of the March issue of Life in the Spirit Newsletter, dedicated to preparing us for events that will take place in the near future. This is for the remnant warrior bride of Christ, and all who seek to know the truth: **“And you shall know the truth, and the truth shall make you free.” John 8:32**

The Lord is calling each of us to be His witness in these end times. But we are not to be fearful, but to march forward with boldness, for we were created to be His witness at this time in history.

NOTE: At the end of this issue you will see a special report on Project Sandman, a 100+ nation to dump the dollar.

Part II. The Vax War Against Humanity Continues

Part II of the March 2022 Issue focuses on the Covid-19 vaccine and how it is used by the globalists to take away our freedoms and begin to implement their ultimate goal of depopulation (another word for genocide). As in all things, question EVERYTHING, look at multiple sources, look for patterns, and always take these matters to the Lord.

And if you have taken the vax, be sure to check the hotlinks in the summary of this document for things you can do.

Wall Street Analyst: COVID Vaccines 'Greatest Fraud in History'

- Edward Dowd, a former portfolio manager for the multinational investment firm BlackRock, whose analysis of CDC data shows **an alarming rise in deaths among Millennials over the past year amid the COVID vaccine rollout** said he's hoping to start a national conversation that will penetrate an establishment media "blackout" by emboldening people across government and private industry to speak out.
- Dowd and a Wall Street insurance analyst with whom he has teamed conclude the CDC data show **the Millennial generation suffered a "Vietnam War event," with more than 61,000 excess deaths from March 2021 to February 2022.**
- **The Millennials, about ages 25 to 40, experienced an 84% increase in excess mortality over that period, Dowd found. It was the highest increase in excess deaths of any age group last year – seven times higher than the Silent Generation, those who are older than 85.**

800,000 Lives Could Have Been Saved with Ivermectin and HCQ – Dr. Pierre Kory

- Dr. Pierre Kory, one of the top pulmonary doctors in the country, has treated thousands of Covid-19 patients, with excellent results.
- He recently stated that **800,000 lives could have been saved with the use of Ivermectin and hydroxychloroquine if used as a preventative and to cure Covid-19 instead of the vax.**
- Both have been suppressed and attacked by the CDC, FDA, and mainstream media in spite of their track record demonstrating their efficacy:
 - Ivermectin - 152 Ivermectin COVID-19 studies, 103 peer reviewed, 81 comparing treatment and control groups.
<https://c19ivermectin.com/>
 - Hydroxychloroquine - 330 studies from 5,231 scientists and 453,570 patients in 50 countries

Former BlackRock advisor says Pfizer colluded with FDA to hide data that shows COVID "vaccine" clinical trials FAILED

Sunday, March 20, 2022

<https://www.naturalnews.com/2022-03-20-pfizer-fda-hide-covid-vaccine-trial-data.html>

- Investment advisor Edward Dowd recently stated that pharmaceutical giant Pfizer **colluded with the Food and Drug Administration (FDA)** to hide unfavorable clinical trial data showing that **the Pfizer-BioNTech Wuhan coronavirus (COVID-19) “vaccine” is not safe and effective.**
- “I learned from a friend in the biotech industry that **Pfizer had failed its all-cause mortality endpoint in the initial trial,**” Dowd said. **“All-cause mortality is the gold standard in any drug trial at the FDA. When you fail that endpoint, the drug is not approved.”**
- When Big Pharma and the FDA both expressed unwillingness to release any safety data for the injections, Dowd grew even more skeptical about them. **“I got [louder] about fraud when the FDA decided to hide the clinical data for 75 years,”** Dowd explained.

FDA and CDC Study finds Covid-19 Vaccination GREATLY Increases Children's Risk of Suffering Myocarditis

Tuesday, March 8, 2022

- A scientific study conducted by scientists from the U.S Food and Drug Administration and the Centers for Disease Control, has found that the Pfizer Covid-19 injection significantly increases the risk of recipients suffering myocarditis.
- **But unfortunately, it is 12 to 15-year-olds who are worst affected, with the findings showing that male children's risk of myocarditis following mRNA COVID vaccination is over 133 times greater than the background risk in the population.** <https://thecommonsenseshow.com/conspiracy-health/fda-cdc-study-finds-covid-19-vaccination-increases-childrens-risk-suffering-myocarditis>

Situation Update, Feb 1st, 2022 - Life Insurance Payouts Skyrocket 258% as Post-Vaccine Deaths Rapidly Accelerate

- Life insurance company AEGON, a Dutch company reported that their life insurance payouts for the third quarter of 2021 were 358% of what they were pre-covid. <https://www.brighteon.com/9e5a5b09-9f5c-4a33-9c57-f5910de9e042>

Ivermectin Beats Out 9 Other Meds for Treating Omicron, Study Confirms

- Researchers used computational analyses to evaluate the performance of 10 medications against the Omicron variant, finding that ivermectin outperformed all of them, including nirmatrelvir (Paxlovid) a new drug from Pfizer that has cost taxpayers \$5.29 billion and costs \$529 per course of treatment.

Autopsies Show: Vaccinating Teens for COVID Is Literally 'Heartbreaking'

Autopsies of two teenage boys who died days after receiving Pfizer's COVID vaccine prove the vaccine caused their deaths. Pathological findings suggest there may be a way to distinguish SARS-COV-2 infection-induced myo/pericarditis from vaccine-induced cardiac injury. Vaccine-induced heart injury can be sub-clinical, but how often?

'It's the Jab': Top Insurance Companies Report Spike in Excess Deaths

- In January, the CEO of a major Midwest insurance company disclosed in a virtual Chamber of Commerce meeting that his company had seen **a 40% increase in all-cause deaths in the last half of 2021, describing it as four times higher than a once-in-200 years event.**
- That startling rise came as the daily number of deaths from COVID-19 was less than half of what it was the previous year, suggesting the vaccines are the most likely cause.
- The CEO, Scott Davison of OneAmerica, said he found the data to be "consistent across every player in that business." <https://www.wnd.com/2022/02/jab-top-insurance-companies-report-spike-excess-deaths/>

NOTE: This is what we would anticipate, as the jab greatly diminishes natural immunity, leading to vax recipients dying prematurely from several causes.

CDC/FDA Smoking Gun of Smoking Guns – the Test Was Created Before the Virus

- They confess: they had no virus when they concocted the test for the virus; they “contrived” a model by pretending to find what they wanted to find; it’s called a self-fulfilling prophecy.
- This is the con and the crime that drove millions of lives, and economies, into ruin. <https://blog.nomorefakenews.com/2022/03/09/cdc-fda-smoking-gun-of-smoking-guns-they-confess/>

WOW – The next two stories show that THE MEDIA IS FOR SALE. You have some agenda you want pushed? No problem – just step up to the plate with A LOT OF CASH and you can make a deal. But unlike a regular prostitute, who sells his or her body for money but keeps her soul, they have sold their souls to the Father of Lies.

- Here is how it works: Big Pharma (the lobbying group with the largest amount of political contributions in Washington, D.C.) lavishes money upon Congress and the White House, who in turn purchase large amounts of the “vaccines” and push the vaccines out to the public. The government also gives money to the mainstream media to push the vaccines and disparage viable alternative remedies..
- Operating out of fear, millions of Americans take the jab, thus generating more revenue for Big Pharma, that they can then lavish on the politicians. And the cycle continues. Is this a great country, or what?
- And don’t forget that the mainstream media and social media tech giants played a pivotal role in suppressing information on life-saving, viable alternative remedies and preventatives to Covid-19, thus costing hundreds of thousands of people their lives. They have blood on their hands.

CONFIRMED! 1 Billion Dollars in Taxpayers Money Secretly Given to Large Media Companies to Push Vaccines and Prevent Vaccine Hesitancy

About a week after the publication of Pfizer’s data, the vaccine agenda is facing another major blast! During a secret investigative work, some independent journalists have confirmed that 1 billion dollars in taxpayer’s money had been secretly given to large media companies to push vaccines and prevent vaccine hesitancy... REVEALED: Mainstream Media’s Massive Government Payoff

Shocking Study Finds Covid Vaccines REWRITE Your DNA... Criminal CDC Proven to Have Repeatedly LIED About This Very Issue to Deceive and Harm the Public

As [The Epoch Times](#) and other media outlets reported yesterday, a shocking new study conducted at Lund University in Sweden has confirmed that mRNA nanoparticles from Pfizer's covid-19 vaccine enter human cells and are reverse-transcribed into DNA, achieving a permanent alteration of the person's genetic code. This is something that the CDC lied about for the last several years, claiming it was impossible. <https://www.naturalnews.com/2022-03-03-shocking-study-finds-covid-vaccines-rewrite-your-dna-criminal-cdc-proven-to-have-repeatedly-lied-about-this-very-issue-to-deceive-and-harm-the-public.html>

Official Data: Fully Vaccinated People Account for 9 of 10 COVID Deaths

Embalmers Find Veins and Arteries Filled With Rubbery Clots

- Richard Hirschman, a board-certified embalmer and funeral director with more than 20 years of experience, has come forward with some mysterious and disturbing findings. In the time period since COVID-19 shots were rolled out, starting around the middle of 2021, Hirschman states that he's been finding "strange clots" in the bodies of the deceased.
- Hirschman describes **unnatural, fibrous clots that are filling vessels, making it difficult for embalming to occur**. In the video on this page, you can view the long, rubbery clots firsthand. The person from whom the long clot in the video was pulled had received COVID-19 shots but contracted COVID-19 anyway. He was released from a hospital after testing negative for SARS-CoV-2, but died a few days later — "probably because he was full of blood clots," Hirschman said. <https://z3news.com/w/embalmers-find-veins-and-arteries-filled-with-rubbery-clots/>

Miscarriages and Cancer up 300%, Neurological Problems up 1,000% Due to Covid "Vaccines"

- Three military doctors from the Department of Defense (DoD) who have access to vaccination data that has been withheld from the general public revealed that [among the vaccinated], **miscarriages have increased by 300 percent over the past year, as have cancers. Neurological problems increased 1,000 percent during the same timeframe**. "Our soldiers are being injured, experimented on, and sometimes possibly killed," Attorney Thomas Renz explained.

Excess Deaths Soaring in Every Country Where Covid “Vaccine” Uptake is High

- **Not only is all-cause mortality up in 2021 compared to 2020, Former Pfizer Vice President Dr. Michael Yeadon pointed out, but it smashed the five-year average. What changed? Hundreds of millions of people rolled up their sleeves for spike protein injections [the vax] – that is what happened.**
- Public Health Scotland’s (PHS) October 14 Covid-19 Daily Dashboard shows that despite 87 percent of the adult population now considered to be “vaccinated,” weekly deaths are a shocking 30 percent above normal.
- “This marks the 20th consecutive week with excess deaths above the five-year average and the highest since the week ending January 10, 2021,” the report explains.
- The *plandemic* of the fully vaccinated rages on.
- **It is important to emphasize, here, that these are *not* “covid” deaths. They are primarily heart attacks, strokes, blood clots, circulatory diseases and neurological issues – all vaccine-induced diseases that physicians and scientists have been warning about ever since the jabs were introduced.**
- **“Simply put, the vaccines are increasing fatalities, not reducing them,”** reported the *Daily Exposé*. “They are making matters worse, not better. They are perpetuating the crisis, not ending it.”
- The data charts all show that excess deaths really ramped up *after* the injections went public. Prior to that, death rates were about average or even *lower* than average, in some cases.

Virus DNA Matches Code Patented by Moderna 3 Years Before Pandemic

Fueling suspicion that SARS-CoV-2 originated in a lab in China, researchers have discovered **a tiny piece of DNA in the virus that matches the genetic sequence patented by Moderna three years before the pandemic began. Triple “Vaccinated” Deaths Skyrocketed 495% in January; 80% of All New Covid Cases Are Fully Jabbed

- The *plandemic* of the “fully vaccinated” rages on as the [latest data](#) shows that the vast majority of hospitalizations and deaths from the Wuhan coronavirus (Covid-19) are occurring in people who took the jabs.
- **Public Health Scotland (PHS) is reporting that an astounding four out of every five covid hospitalizations and deaths are jabbed, meaning only 20 percent of hospitalizations and deaths blamed on covid are occurring in the unvaccinated.** https://www.lewrockwell.com/2022/02/no_author/triple-vaccinated-deaths-skyrocketed-495-in-january-80-of-all-new-covid-cases-are-fully-jabbed/

COVID Vaccinated Experience Pulmonary Embolism 1,000 Times the Normal Rate

- **The COVID vaccinated have rates of Pulmonary Embolism, a life-threatening, blood clotting of the lungs, over 1,000 times normal in all age ranges and we had that data in January 2021! The CDC knew in January 2021 that the vaccines were unsafe, but they said NOTHING!**
- **You cannot explain away a >1,000-fold rate increase in a serious (potentially fatal) adverse event. You can bring in all the fact checkers you want and you can't explain it.**
- You cannot claim “oh, it's reporting bias. 1000x more people knew about VAERS this year.” First of all, we know from talking to physicians that the actual adverse event rates are elevated by a factor of 500x to 10,000x compared to normal. Second of all, if everyone is reporting at 1000 the previous rate than how come we are seeing the same number of ear aches as previous years?
- It's hard to argue with people who refuse to look at the data. If they give you the story about so what, the vaccine is safer, **ask them to explain to you how in 9 different studies that the more you vaccinate, the higher the infection and fatality rates.**
- Also, I'd love to know why we even need a vaccine when the Fareed-Tyson early treatment protocol has no deaths and only a few hospitalizations in over 10,000 cases. Why not just use that? **Furthermore, our mitigation strategies (the vaccine, the regimented hospital protocol of ventilator and remdesivir, etc.) have done more to kill people than the virus has.**
- The CDC knew these vaccines were unsafe in January. They cause clotting everywhere. Pulmonary embolism is just a canary in the coal mine for blood clots. I

could have picked something else. **If you wanted proof of corruption and proof that we cannot trust the authorities [CDC and FDA], this is it in black and white. It doesn't get any more obvious than this.**

Covid Truths That Destroy the Official Narrative

Posted on September 7, 2021 by horse237

- **If you wanted a 0.0% chance of dying from covid, [don't take the vax, but] take one Ivermectin tablet a week** as 800 health care workers did in Argentina. Zero out of 800 were hospitalized.
- **So why did the CDC and FDA and just about every health authority in the world block access to these treatments and preventive measures? Could it be that they wanted us to be vaxxed and passported to establish a fascist New World Order?**
- **Dr. Luc Montagnier, who won the Nobel Prize in Medicine in 2008, said Covid is a bioweapon, was made in a lab,** and contains strands from the HIV virus. Others have confirmed his findings.
- **62% of all vaxxed patients tested by a doctor in Canada had blood clots.** This was found through D Dimer tests; very scientific and yet unreported by the lying corporate media.
- **CDC has admitted that only 6% of those claimed to have died from covid actually died from covid.** The rest died with covid, maybe. They paid people to write covid on the death certificates. People dying from car accidents, suicides, drug overdoses and gunshots were all listed as covid. Most of those dying from covid had co-morbidities, such as, COPD, diabetes, heart failure, cancer, kidney and liver diseases.
- **The US military has discovered that amongst vaxxed personnel, the cancer and heart condition rates have increased 300%.** Want to stop covid vaxxes? Tell everyone that it increases their risk of cancer to nearly 100% if they get a booster. And it gives them clots that can be fatal.

100+ Nations Have Global Agreement Now Being Deployed Called "Project Sandman" to Drop and End Dominance of U.S. Dollar and Petrodollar

Published March 17, 2022 by Miami Standard News Staff

- "Project Sandman" describes a 100+ nation agreement that, when triggered, will see those nations simultaneously dump the dollar and abandon the "petrodollar" status that has allowed the USA to enjoy 50 years of fiat currency counterfeiting and material abundance at the expense of everyone else. When this decision is triggered, the dollar and all dollar-denominated assets will plunge to near-ZERO literally overnight.
- This means all dollar-denominated bank accounts, bonds, pension funds, treasuries and other investment vehicles will essentially be worth zero for the simple reason that all banks and markets will freeze operations. (This is the James Rickards "Ice-9" scenario.)
- You can read more about Project Sandman here:

Summary

The reports above from multiple independent and authoritative sources (some even from the CDC and FDA) show that **claims from the CDC, FDA, and NIH that the vaccines are safe and effective were false, and that in fact they are part of the depopulation plan of the deep state globalists.** You can find more evidence regarding this matter here: <https://lifeinthepirit.net/2022/01/19/one-of-the-greatest-deceptions-in-human-history/>.

Furthermore, there are spiritual dimensions to the vax. Most of us would never believe that there is anything spiritual about a vaccine that promises to cure COVID-19. And yet when we discover that **it is really a bioweapon designed to change our God-given DNA – (to re-create us in the image of the beast), and for depopulation of the human race created in the image of God (GENOCIDE), we start to understand the spiritual dimensions of the "vaccine".** **These**

COVID-19 “vaccines” are different from any in the past. They contain or were tested with cells from aborted babies, they turn our bodies - (temples of the living God) into magnetic spike protein factories, they cause blood clotting at the capillary level, and they modify our God-given DNA, the very substance of our being.

So be sure to scroll down in the article featured in the hotlink above to the section of the article entitled: **“IV. The MOST IMPORTANT THING YOU CAN DO If You Took the Vax”**, because it is a very serious matter. You may find these sections useful as well:

“V. The SECOND MOST IMPORTANT THING YOU CAN DO If You Took the Vax – Investigate and Seek Treatment” and **“VI. How to Increase Your Immunity If You Have Not Taken the Vax”**.

And finally, always remember that we are not to live in fear, but to trust the Lord: **“Trust in the Lord with all thine heart; and lean not unto thine own understanding. In all thy ways acknowledge Him, and He shall direct thy paths.” *Proverbs 3:5-6***

Be bold. Be strong. Be courageous and walk with the Lord.
