### Introduction

This issue of Life in the Spirit will address the question: “Is the Russian-Ukrainian War a Just War?” from three perspectives – from the perspectives of U.S./NATO, Russia, and our Lord.

The purpose of Life in the Spirit is to prepare Christians – the remnant warrior bride of Christ, and for all seeking the truth, for major events that will take place in the United States in the near future. For we know that the truth shall set us free. **”He who has ears to hear, let him hear.”** *Matthew 11:15*

As always, we should QUESTION EVERYTHING (including this document), search multiple sources from in and out of the U.S., and seek the Lord for confirmation. The following is an attempt to share perspectives on the Russia-Ukraine war that are largely ignored or obfuscated by our government, mainstream media, and social media. Sorry this is so long, but this is a complex issue, and it is hard to do justice to it in a short document.

The Ukrainian people are experiencing tremendous suffering with this conflict, as they battle for their lives, their homeland, and their future. And Ukraine has cried out to the West for assistance in beating back the Russians. (I visited Ukraine many years ago, and fell in love with the Ukrainian people and the natural beauty of their country.)

**Two critical questions confront leaders of Western nations:**

- **Is this a just war (i.e. is it justified for us to become involved)?**
- **Should we be involved, and if so, in what ways? (Do we set any limits?)**

These are most important questions, but to address them fully, we must first discuss the notion of a just war.

“Catholic theologians in the middle ages like St. Augustine and St. Thomas Aquinas developed the modern written theory of just war. These philosophers wanted to **reconcile the belief that taking a life was wrong with a state's duty to defend its people and the necessity of violence in some circumstances.**

Just War Theory stresses that every effort to prevent wars must be made. According to Just War Theory, violence is only permissible when it is a lesser evil than the alternatives; **the reason for war should be to protect innocent life from danger.** For example, if genocide is occurring in a country, war is justified as it aids the victims. In essence, the cause of war must be in self-defense or other’s defense to be ethical.”

## **U.S./NATO Perspective**

So let’s apply this principle to the Russian-Ukrainian war, first from the U.S./NATO perspective. The official story of the Russian-Ukrainian war from the U.S. government and mainstream media goes something like this:

Ukraine is in a fight for democracy, by an aggressor nation, Russia, who attacked Ukraine for its resources and to expand its empire. (Russian President Putin has long regarded Ukraine as a part of Russia, as Kiev was once the capitol of Russia.) Mariupol was razed to the ground, leaving 21,000 civilians dead. Civilians have been targeted in hospitals and residential complexes. A bomb killed 300 people in theater marked “children.” This has precipitated a humanitarian crisis with acute shortages of food and water, often in extreme heat. 900 civilians have been found in mass graves around Kyiv, many of whom were bound and executed in Bucha. President Biden calls the war in Ukraine ‘genocide’.

The Ukrainian people remember the Holodomor, the intentional starvation of 4 million Ukrainians by Stalin in the 1930s, so most, particularly those in western Ukraine, have a deep antipathy toward Russia. Ukrainian President Zelensky is a hero, rallying his troops and his nation to fight the Russian aggressor, and the U.S./NATO are providing the Ukrainian military with military hardware and intelligence assistance against the evil Russian aggressors. So the U.S. and NATO take the position that we must be involved to protect the innocent people of Ukraine and to stem Russia’s expansionism before it invades more Western nations.

## **Russia’s Perspective on the War**

I must begin by stating that I am not a supporter of Putin, for he clearly has blood on his hands. I only try to understand what is going on from a geo-political perspective, as a social scientist, and from a Christian world view. I will include some excerpts from a March 7, 2022 article by Catholic Archbishop Carlo Maria Viganò from Italy, a particularly well-informed individual, in his article: “ABP. Vilgano – Globalists Have Fomented War in Ukraine to Establish the Tyranny of the New World Order”. See <https://www.lifesitenews.com/opinion/abp-vigano-globalists-have-fomented-war-in-ukraine-to-establish-the-tyranny-of-the-new-world-order/>

### **The Coup in Ukraine**

We need to start back in 2014, when President Obama, then-Vice President Joe Biden, Secretary of State Hilary Clinton, Senator John McCain, and Victoria Nuland in the U.S. State Department instituted a coup in Ukraine to oust the democratically-elected president, who was leaning toward Russia, Ukraine’s next-door neighbor. See [https://css.cua.edu/ideas\\_and\\_commentary/the-american-mess-in-the-ukraine/](https://css.cua.edu/ideas_and_commentary/the-american-mess-in-the-ukraine/).

An appropriate analogy would be if the Canadian government was friendly toward the United States, but Russia or China instituted a coup in Canada and installed a puppet regime that was anti-U.S. and pro-Russia or China (then moved military assets into Canada). **What right would they have to decide who should rule Canada? And what right do we have to decide who should rule Ukraine?**

They then brought in Nazis – real Nazis who wear the swastikas, to run the country (although President Zelensky is a Jew). Russia losing over 16 million people in WWII at the hand of the Nazis adds clarity to Putin’s declared aim to de-nazify Ukraine.

## Why Did Russia Attack Ukraine

Russian President Putin saw:

- The coup to oust the democratically-elected president of Ukraine and install a Western puppet – the first step,
- **The build-up of missiles and other military assets in Ukraine which could deliver deadly bombs to Moscow within minutes (an EXISTENTIAL THREAT to Russia),**
- The existence of 26 bio-labs in Ukraine (funded by the U.S. Department of Defense) that were creating bio-weapons to be used against Russia, NOTE: Ukrainians living near these labs have come down with diseases the U.S. and Ukraine were researching. 450 Ukrainians were sickened by hemorrhagic pneumonia. 364 deaths were attributed to swine flu. 100 died from cholera. These 26 labs seem to have been located in communities where ethnic Russians were the majority. See <https://vidrebel.wordpress.com/2022/03/21/about-those-336-us-biolabs-around-the-world/>
- Zelensky’s expressed desire to become a nuclear power, along with solid evidence that the U.S. was in the process of helping Ukraine achieve that status,
- Increasing economic sanctions against Russia from the U.S. and the NATO countries, including taking Russia off of the SWIFT financial system, a clear act of war, and
- The Ukraine/NATO/U.S. absolute refusal to consider the non-negotiable redlines of Russia – issuance of written guarantees of security for Russia, for Ukraine not to join NATO (for Ukraine to be a neutral country), and major arms not be shipped into Ukraine.

**These latter three were three specific requests that Putin made to the West, which they totally rejected. While the U.S. has the benefit of being largely buffered by two oceans, Russia’s only buffer is land, so placing missiles on its border that could reach Moscow in ten minutes or less was an unacceptable existential threat to Russia.**

NOTE: Would Putin have attacked Ukraine if the requests Putin made to the West were granted (i.e. if the existential threat of missiles within 10 minutes of landing in Moscow were removed)? We don’t know, but at least he would have had a much weaker position to take to the Russian parliament and people.

Several years ago, U.S. Secretary of State James Baker promised Russian Premier Mikhail Gorbachev that the West would not recruit the former eastern European satellite countries of the USSR into NATO, and that the U.S. “would not move its weapons one inch closer to Russia.” The U.S./NATO has since reneged

on that promise by bringing several eastern European nations into NATO, and would ignore it once again in their efforts to get Ukraine (perhaps the most strategic of all of the former USSR satellite nations) into the western camp.

“Since the fall of the Berlin Wall, the United States has extended its sphere of political and military influence to almost all the satellite states of the former Soviet Union, even recently, annexing into NATO Poland, the Czech Republic, and Hungary (1999); Estonia, Latvia, Lithuania, Slovenia, Slovakia, Bulgaria and Romania (2004); Albania and Croatia (2009); Montenegro (2017); and North Macedonia (2020). The North Atlantic Treaty Organization is preparing to expand to Ukraine, Georgia, Bosnia and Herzegovina, and Serbia. Practically speaking, the Russian Federation is under military threat – from weapons and missile bases – just a few kilometers from its borders, while it has no military base in similar proximity to the United States.”

*ABP. VIGANÒ GLOBALISTS HAVE FOMENTED WAR IN UKRAINE TO ESTABLISH THE TYRANNY OF THE NEW WORLD ORDER*

It appears that the moving of massive military assets into Ukraine, including missiles that could reach Moscow in 7-8 minutes that Putin perceived as an existential threat to Russia, and along with the West rejecting his request for a written statement of security motivated him to attack Ukraine. The multitude of sanctions (most of which were instituted before the attack on Ukraine), the expressed desire of western politicians to take down Russia, and the war of extermination and ethnic cleansing of thousands of Russian-speakers in eastern Ukraine (led to a large degree by a private army of literal neo-Nazis from Pravy Sektor) likely were also important factors.

## The Nazi Azov Battalion

“Battalions were formed of neo-Nazi mercenaries, were given official state status as “Ukrainian National Guard” soldiers, the Azov Battalion, and financed by Ukrainian mafia boss and billionaire oligarch, Ihor Kolomoisky, the financial backer of Zelenskyy as president. The Azov soldiers even sport open SS runes as its logo. In 2016, the Office of the UN High Commissioner for Human Rights (OHCHR) accused the Azov Battalion, officially upgraded to a regiment in January 2015, of committing war crimes such as mass looting, unlawful detention, and torture.”

*Ukraine - The Other Side of the Story We are Not Being Told*  
<http://www.williamengdahl.com/englishNEO9Mar2022.php>

Ironically, at the very same time that (woke) U.S. Chairman of the Joint Chiefs of Staff Mark Milley was recently speaking on the anniversary of D-Day and equating the Ukraine war with World War II, the U.S. military was training the Nazi soldiers of the Ukrainian Azov Battalion.

## Impact of Sanctions

Furthermore, the sanctions seem to have largely backfired. Russia continues to export oil to the 80% of the world population not involved in NATO, the price of oil has gone up (increasing Russia's profits), Putin's demand that oil sales be done in rubles has strengthened the ruble to above what it was before the invasion, and the sanctions have cut off vital oil, natural gas, and fertilizer exports to the West, causing huge shortages and price increases in western Europe and the U.S. India even buys oil at a reduced price from Russia, and then sells it to the U.S. and NATO countries at a premium. Thus the U.S. and NATO still get most of their needs for petroleum met, because they are purchasing "Indian" oil.

Cutting Russia out of the SWIFT financial system was an act of war, and signaled to all countries in the world that they too can be cut off from the SWIFT system (which would largely destroy their economies) if they did not go along with the West's demands. This is accelerating the move away from the U.S. dollar as the world reserve currency, which will crash the dollar when these trillions of dollars come home to the U.S. (because they will have found other ways to transact business apart from the dollar).

So when we pay \$20 or \$30 for a gallon of gas or milk, we can thank our politicians for weaponizing the U.S. dollar and destroying the international trust necessary for the U.S. dollar to be the world's reserve currency.

We will soon not be able to trade dollars printed out of nothing for goods and commodities from other nations, and will have to earn our own way like every other nation on the earth. We will learn, like every other nation in the world that has tried this, that we cannot create prosperity by printing money and creating more debt indefinitely. Sooner or later the dollar (and therefore our economy) will crash. We are already seeing it with massive increases in the price of food and fuel. We should prepare for a significant drop in our standard of living as prices increase greatly.

## **Threats to Russia**

Remember how JFK reacted to the Russians moving missiles to Cuba, which is 90 miles from our border? What if Russia moved missiles to be just over our border in Canada, which is what NATO has done to Russia's border? We would scream bloody murder and probably attack those military forces, just as Russia has attacked Ukraine.

There is a very compelling joke (but not really funny): "You can tell how much Russia wants war – look how close they moved their borders to our bases." The hypocrisy of the West in this regard is blatant and breathtaking.

**"And why are we scandalized today by a Russian intervention in Ukraine, when NATO carried out the same sort of thing in Yugoslavia (1991), Kosovo (1999), Afghanistan (2001), Iraq (2003), and in Libya and Syria (2011), without anyone raising any objections? Not to mention that in the last ten years Israel has repeatedly hit military targets in Syria, Iran and Lebanon to prevent the creation**

of a hostile armed front on its northern border, and yet no nation has proposed imposing sanctions on Tel Aviv.” *ABP. VIGANÒ*

“Ukrainian press reported a year ago about new Western-built de facto NATO naval bases in Ochakov and Berdyansk as, ‘modern infrastructure facilities capable of receiving ships of all types, equipped according to NATO standards and built with the money of the alliance countries.’ The media boasted, ‘In three years we will be able to strike at Russian ships in the Black Sea with our mosquito fleet. And if we combine with Georgia and Turkey, the Russian Federation will be blocked,’ Ukrainian military experts boasted.”

## **Deception by Mainstream Media**

Another dimension to this situation is the tremendous deception promulgated by the Western mainstream and social media, including apparent false flags implemented by the West. The mainstream media is careful not to show images of Russian soldiers helping civilians reach safe positions or organizing humanitarian corridors. The censorship being imposed against Russian broadcasters and independent media in the U.S. is clearly aimed at preventing the official narrative from being disproven by other perspectives.

Furthermore, (and this is ALMOST humorous) “the Western media has shown images of the video game War Thunder, frames from the movie Star Wars, explosions in China, videos of military parades, footage from Afghanistan, the Rome metro or images of mobile crematoria by passing them off as real and recent scenes of the war in Ukraine”. *ABP. VIGANÒ*

“The U.S.-instituted coup in Ukraine 8 years ago is to this day almost entirely unknown in the West. The reason is a total media blackout, led by CNN, BBC, the New York Times, and Washington Post. It has been a de facto NATO wartime press censorship, originating in Washington at the highest levels. That censorship has turned once-critical German, other EU and US media into apologists for the illegal installation on February 2014 of a gang of unelected criminals and self-styled neo-Nazis, and the undemocratic coup against a democratically elected government, all, cynically, in the name of democracy.”

*Ukraine and the Deeper Global Suicide Agenda*  
*By F. William Engdahl, March 8, 2022*  
<http://www.williamengdahl.com/englishNEO9Mar2022.php>

“Dutch journalist Sonja van den Ende, an independent journalist from Rotterdam, Netherlands, is on the ground in Ukraine and has an urgent message for the Western world: **Stop believing the fake news and endless lies served up by mainstream media.**

- “‘They [the mainstream media] lie continuously about everything just to implement their own agenda,’ said Van den Ende.
- She has drawn attention to Kiev’s fake reports and “false flag” operations including the infamous Snake Island hoax, hype over Russia’s alleged ‘attack’ on the Zaporozhe Nuclear Power Plant (NPP), the now-debunked story of Russia’s ‘strike’ on a Mariupol hospital, and the most recent Bucha provocation.
- Van den Ende says that Ukrainian claims and Western media disinformation resemble false flags by jihadists in Syria. ‘The same happened in Bucha,’ says the Dutch journalist.
- According to van den Ende, after carrying out a 2014 coup d’état in Ukraine, the minority of neo-Nazis seized power and have been terrorizing most of the eastern part of the country using vicious and cruel Nazi-style methods for the past eight years.
- The West is continuously trying to blame Russia for all the damage inflicted on Ukrainian villages and towns. However, Eastern Ukrainian eye-witnesses say that most of destruction in the civilian areas was caused by the retreating Ukrainian army and neo-Nazi formations, including the notorious Azov Battalions, according to the Dutch journalist.”

Dutch journalist In Donbass: ‘Western media is lying about what is happening in Ukraine’, Sunday, April 17, 2022  
<https://naturalnews.com/2022-04-17-western-media-lying-about-ukraine.html>

These documents provide a larger context for the situation in Ukraine, and confirm another report that there are war crimes in Ukraine, but they are performed primarily by the Ukrainian Azov (Nazi) battalions.

([https://www.lemonde.fr/en/international/article/2022/04/09/ukraine-s-military-accused-of-war-crimes-against-russian-troop\\_5980121\\_4.html](https://www.lemonde.fr/en/international/article/2022/04/09/ukraine-s-military-accused-of-war-crimes-against-russian-troop_5980121_4.html))

They also show that claims of “Targeting civilians, destroying hospitals, and apartment buildings, and apparently executing hostages” are largely untrue, or are because the Ukrainian military use civilians as human shields, and “place anti-aircraft positions inside population centers, hospitals, schools and kindergartens precisely so that their destruction can cause deaths among the population.” *ABP. VIGANÒ*

## We Are at War With Russia

On May 6 of this year, U.S. officials announced they provided information to the Ukrainian military, enabling it to launch missiles that sank the Moskva, their Russian Black Sea flagship. **This has been portrayed inside Russia as its Pearl Harbor event, thus rallying support for the war against Ukraine and its NATO/U.S. backers.** Thus Russia clearly sees this conflict as a proxy war between NATO/U.S. and Russia.

The U.S. and U.K. shipping long-range missiles to Ukraine that can hit Russia just add fuel to the fire. Zelensky's assurance that these long-range rocket systems from the U.S. will only be used for defensive purposes within Ukraine is a joke, and only ratchets up the war. (See <https://www.ndtv.com/world-news/will-send-long-range-rocket-system-to-ukraine-to-hit-russian-targets-us-3027560>). Putin responded by stating that if Ukraine uses these missiles to hit Russia, the Russian military will hit targets in Western nations.

So the West wanted this war, they kept provoking Putin, and they finally got it. (Just like the U.S./NATO invasions of Iraq and Libya because they were going to sell oil in non-U.S. dollars, the U.S. wants to teach Russia a lesson for wanting to sell oil and natural gas in rubles.) Now the Defense Department is assured of continued funding (their greatest enemy is peace), and the Biden administration can blame Putin for high food prices and inflation (even though they have been running the presses like Weimar Germany in 1923), and the Deep State can further their depopulation agenda. These are reasons why the West needs to keep it going, and continue to sabotage any efforts for a settlement between Zelensky and Putin.

**“On the other hand, without the pretext of a war, how would they have been able to justify the soaring price of gas and fuels, forcing the process of an ‘ecological’ transition imposed from on high in order to control the impoverished masses? How could they have made the people of the Western world swallow the establishment of the tyranny of the New World Order, when the pandemic farce was unraveling and bringing to light crimes against humanity committed by Big Pharma?” APB VIGANO**

If neither side backs down, we will be in World War III and it will come to America. Russia has nuclear weapons, hypersonic missiles (for which we have no defense), a Satan II nuclear bomb that could destroy an area the size of Texas, underwater nuclear drones that could destroy our East coast, and jamming technology that can paralyze our electronics (which they did by paralyzing the electronics of one our state-of-the-art destroyers in the Black Sea some months ago; several of our seamen resigned after that experience).

**Critical Question: Are the American people willing to risk annihilation of our nation because of this war that U.S./NATO provoked in Ukraine, thousands of miles away?**

## **Is This a Just War?**

Just War Theory requires legitimate authority making decisions, a just cause, a just intent, and war to be the last resort. Looking at the Russia-Ukraine war, we see:

- “The intervention in Ukraine by NATO, the United States, and the European Union does not appear to have any legitimacy. Ukraine is not a member of NATO, and as such it should not benefit from the assistance of an entity whose purpose is the defense of its member nations. The same can be said of the European Union, which just a few days ago invited Zelenskyy to join it.” *ABP. VIGANÒ*
- **The Zelensky regime in Ukraine is illegitimate**, a puppet regime put in place by the West after a coup.
- Not only is the Zelensky regime illegitimate, put in place by the U.S. after a coup, but there is credible evidence that **the Biden regime itself is illegitimate** (see <https://www.imdb.com/title/tt18924506/> and <https://2000mules.com>, which documents from actual cell phone records how Democratic Party operatives (called “mules”) stuffed ballot boxes in several key states.
- On February 19 in Munich, Ukrainian President Zelenskyy made his threat to deploy nuclear weapons on Ukrainian territory. He expressed this as his **unilateral revocation of the 1994 Budapest Memorandum**, although Ukraine was not a signatory of the agreement.
- On March 6 Moscow state news agency, RAI Novosti, quoted a senior Russian SVR foreign intelligence source with details on a secret Ukraine project, reportedly with vital covert Western support, to build a Ukrainian nuclear missile capability and a Ukrainian atom bomb **in brazen violation of the Nuclear Non-Proliferation Treaty**.
- “Among the many agreements not respected by Zelensky is also the Minsk Protocol, signed on September 5, 2014 by the Trilateral Contact Group on Ukraine, composed of representatives of Ukraine, Russia, the Donetsk People’s Republic and the Lugansk People’s Republic. Among the points of the agreement was also the removal of armed illegal groups, military equipment, as well as fighters and mercenaries from the territory of Ukraine under the supervision of the OSCE and the disarmament of all illegal groups. Contrary to what was agreed, neo-Nazi paramilitary groups are not only officially recognized by the government, but their members are even given official assignments.” *ABP. VIGANÒ*

“[The triggering of the war] was deliberately planned by the real perpetrators of the conflict, knowing that it would obtain exactly that response from Putin. And it is up to Putin, regardless of whether he is right, not to fall into the trap, and to instead turn the tables, offering Ukraine the conditions of an honorable peace without continuing the conflict.” *ABP. VIGANÒ*

Is this a just war? Obviously Russian President Putin believes it is for Russia. **You decide if it is a just war for the United States (and if provoking the war was justified)**. If it is not and if our involvement is not justified, then we should push all parties to negotiate an end to the hostilities as soon as possible, to reduce human bloodshed.

Even Henry Kissinger, now in his 90s, recently stated that there needs to be a negotiated end to the war, with Ukraine giving up some of its Russian-speaking provinces, or this war will become much wider and devastating. See <https://www.newsweek.com/henry-kissinger-ukraine-should-give-territory-russia-reach-peace-1709488>. The Ukrainian people are the real victims of this tragedy, and have become pawns in the middle of a proxy war between two superpowers.

**Now that this war has started, it is not going to end well for NATO, Europe, or the U.S. (or Russia for that matter) if it continues. What may have started as a limited incursion into Ukraine is highly likely to spread to other NATO countries, and the U.S.** So we should not be surprised when U.S. military assets begin to be hit, even on our own soil. **Once the Russian bear is provoked, he will not go back to sleep easily.** China would greatly benefit from it, as they see their competitors/enemies destroy each other.

## **The Hand of the Lord**

**We know that our Lord raises up nations to chastise His people, as He did with Assyria and Babylon against the children of Israel.** Russia does not allow publicizing the homosexual lifestyle, and is even considering issuing massive fines for anyone who does. See “New law targeting 'LGBT propaganda' introduced in Russia”; Proposed fines for promoting non-traditional sexual relations could exceed \$160,000. <https://www.rt.com/news/556823-russia-lgbt-propaganda-bill/>.

I have nothing against homosexuals or transsexuals; each of us is on our own journey through life, making decisions as best as we can. We need to pray that they (and all the rest of us sinners) draw close to the Lord, and experience his joy and truth. However, when our government and other institutions are pushing this aberrant lifestyle, this sin against the holy, righteous God of the universe, it is wrong and unhealthy for our people and our nation – now and for our future.

At the same time Russia forbids pro-homosexual propaganda, America celebrates and flaunts homosexuality – in our government, social media, our military, major corporations, Hollywood, mainstream media, and educational institutions.

Just a few examples:

- **Biden Admin: K-12 Schools Must Put Boys In Girls’ Bathrooms To Get Federal Lunch Money** [Biden Admin: K-12 Schools Must Put Boys In Girls’ Bathrooms To Get Federal Lunch Money - Geller Report](#)
  - K-12 schools must allow boys into girls’ private areas to obtain federal funds for lunches, breakfasts, and snacks, the Biden administration **announced** this month [June, 2022].
  - Under this new demand, establishments that accept any federal food funding, including food stamps, must also allow males who claim to be female to access female private spaces, such as showers,

bathrooms, and sleeping areas. Such organizations must also follow protocols such as requiring staff to use requested pronouns to describe transgender people and allowing male staff to dress as women while on the job. **(This is profoundly evil.)**

- The whole month of June is designated as Gay Pride Month, a double abomination to the Lord – homosexuality and pride.
- Reversing a Trump policy, 98 U.S. embassies around the world are recognizing and celebrating Gay Pride Month, a direct insult to the beliefs and cultures of many nations, particularly Moslem, Catholic, and Christian nations.
- **Critical questions:**
  - **Is this how we want our nation to be portrayed to the world, as a champion of homosexuality?**
  - **Is this what makes America great?**

We also fund abortion with our tax money, have killed 65 million+ babies in the womb, push it on to other countries, and are on the forefront of the transsexuality and transhuman movements, all abominations to our Lord.

As an aside, Ukraine is known for its corruption at many levels, including the Biden family. A few examples:

- Ukraine President's Inner Circle Buying Multi-Million \$ Mansions in Switzerland!  
<https://haltturnerradioshow.com/index.php/en/news-page/world/ukraine-president-s-inner-circle-buying-multi-million-mansions-in-switzerland>  
If Ukraine is winning the war with Russia, then why are key people in President Zelensky's inner circle buying houses in Switzerland? And how are they affording \$9 million for those houses? Is U.S. "foreign aid" being stolen so they can buy multi-million-dollar mansions?
- Hunter Biden has had many shady dealings with Ukraine, and an analysis of his hard drive shows his firm took in about \$11 million from 2013 to 2018 and spent it fast. <https://www.nbcnews.com/politics/national->

Depopulation is another key issue – the desire of deep state globalists (who have tremendous political power in our country) to reduce the population of our nation and the world, which they have declared on various occasions. There are many dimensions to this agenda, such as:

- As evidence of their desire for depopulation, **the World Economic Forum at Davos has accepted the Georgia Guidestones goal to reduce world population to 500 million as part of their Great Reset** - their plan to make what was ours into theirs. See <https://vidrebel.wordpress.com/2021/12/13/the-great-reset-depopulation/>. The Deep State globalists already have their underground bunkers, and believe they can weather WWIII and emerge to rule the world.
- **War kills people** – an efficient way to reduce population, and also can take down the superpowers, a necessary step toward the one-world government that is in the works (the Great Reset).
- **Promoting abortion and homosexuality are additional ways to reduce population.** Homosexuals cannot reproduce; they can only GROOM AND RECRUIT.
- A recent survey revealed that **more than 20% of Gen Z Americans identify as LGBTQ**, compared with 2% of boomers (an astonishing number, and an indicator of the success of the secular propagandists who seek to pervert our society). <https://www.usatoday.com/story/news/nation/2022/06/08/why-gen-z-more-likely-lgbtq-identity/9824246002/#:~:text=Those battles over whether all Americans have equal,LGBTQ%2C are reaping the benefits of those fights.>
- **The West's embargo on Russia's oil and natural gas has had a huge impact on fertilizer availability (hence food).** We may expect food riots in the U.S. before the end of the year as food and energy prices continue to go up.
- **The attack on Ukraine severely diminished its food production**, which will likely cause starvation in countries that depend on it for food (mostly in Africa), raising prices across the globe.
- **The bio-weapon called Covid-19 and the mRNA "vaccine" (not really a vaccine) are now having a huge impact**, as the all-purpose death rate from multiple causes is rising significantly, exactly what independent medical experts predicted. Here are just a few examples:
  - **BOMBHELL: Pfizer's own documents admit that mRNA covid vaccines will result in mass depopulation**  
<https://www.naturalnews.com/2022-06-09-pfizer-documents-mrna-covid-vaccines-mass-depopulation.html>
  - **Vaxxed Young Adults are 92% More Likely to Die than Unvaccinated**

    - Official figures published by the UK's Office for National Statistics show that deaths per 100,000 among double vaccinated 18-39-year-olds were on average 91% higher than

deaths per 100,000 among unvaccinated 18-39-year-olds between January 2021 and January 2022.

- The FDA, CDC, and Big Pharma are pushing for children less than 5 years of age to be vaccinated for COVID-19, even their change of contracting the disease is almost ZERO.

Some may see the globalists' desire for depopulation as merely a conspiracy theory, but **many conspiracies are real, as the terms “conspiracy”, “conspire”, and to “plot” are mentioned in the Bible over 50 times.**

God is holy, just, loving, and merciful. But in His holiness and justice, He chastises those whom He loves, even if it means taking down a nation through war (in order to get people's attention). **We should not be afraid to ask the question – is or will God use Russia (and China) to chastise the West? If that is the case, and we are on the wrong side from God, we are in deep, deep trouble.**

## **God and War Coming to America**

The Lord lets His people know what will happen in their lives:

**“For the LORD GOD does nothing without revealing his secret plans to his servants the prophets.” Amos 3:7**

The Lord has also raised up watchmen and women to warn America to repent or face judgment. Jesus even stated that when the Holy Spirit comes, He will teach us all things:

**“These things I have spoken to you while being present with you. But the Helper, the Holy Spirit, whom the Father will send in My name, He will teach you all things...” John 14:25**

Here what watchmen are saying – messages from the Lord:

- The time of reckoning is coming upon all men. My chosen army who has walked with Me and sought Me each day will have the best days ahead of them. Those who go their own way, disregarding Me, will experience great hardship. Many of My children will require more chastening in order to refine them.

- **This hour is crucial to get your hearts aligned with Me for this nation is in critical condition and death comes to a nation who opposes Me, My laws, My statutes and My judgments!**
- **Children, children, children! It is time, it is time, it is time! Get your spiritual house in order for when this starts you will be in complete shock and turmoil. Enjoy the last days of quiet for in an instant it is all about to change and go into a freefall. I love you! The more important question is will you love Me then as it all falls?**

- All I do must now be manifested and come to pass in this world and all eyes shall see it take place. No man can plead ignorance on that mighty day. For I have given all men room, time and place to turn back to Me to repent and to be saved from the judgment unimaginable.
- There is a war raging. In the east, in the north and in the south. **No man shall escape the effects of this war. Famine shall now follow upon its heels and there shall be a great girth upon the land.**
- Many people shall perish and perish without Me. They shall see My judgments.
- **My children shall be protected by Me and no evil shall come near you, for I hold you in My hand. I am with you in all things. Do not fear. I am with you this day and forevermore.**

- Many of My children do not want to believe and accept the fact that **I Am coming soon**. They never want to take the time to be quiet in My presence, to read My words, to learn from Me and to get to know Me from the Bible that I have given to you.
- **My children, you don't have much time left now. Your world is about to collapse, your lives will be completely and forever changed**, everything you love will be gone from you, and yet, you still want to believe in a world that is determined to destroy you?
- **The great disaster is on the horizon**. A pandemic worse than COVID-19 is coming, a plague that the whole world will fear.
- **Wake up, My children. If you do not wake up now, repent of your sins, and return to Me, you will slumber until you wake up in the pit of hell, when it will be too late**, and eternal torment will be your destiny.
- The Creator who created you is your refuge, your help whenever you are in trouble. **Call on Me, for all who call on Me, Jesus Christ, will be saved.**

- **The DAYS OF NOAH and the DAYS OF SODOM and GOMORRAH are upon you!**
  - Now the butchering of MY little ones has reached a point of no return.

- The witchcraft, sorcery and rebellion are at a new height on the earth.
- The leading of the children into perversion has also reached new heights!
- **Yes, there has always been evil, and wickedness, but now it has become more than PERVASIVE.** I alone will come and sweep the nations clean with the fire of My mouth!
- The enemy has lulled My people to sleep, even though they heard the alarms from My prophets, they did not heed or prepare. This will lead to great suffering for many.
- **The path is narrow, and straight, but most have wandered far from it. The cares of the world, the stresses of life, and the enticements of pleasures and gain have led many astray. Some have wandered so far off, that they are now lost, and know it not.**
- Pray for these wandering, lost souls, some who are even mine!

NOTE: The following report is consistent with the above warnings about war coming to America.

- Academic researcher and author JR Nyquist has conducted a bombshell interview with “Mr. Wang” from LUDE Media — the same group that acquired a secret audio recording from high-level CCP / PLA military leaders in Southern China — that reveals **China and Russia are teaming up to eliminate the United States and occupy North America.**
- **Americans are oblivious, and leaders are clueless about what’s coming.**

NOTE: The following article gives many practical recommendations on how to prepare for what is coming to America.

### NECESSARY PROVISIONS FOR YOU AND YOUR FAMILY

Posted by [444 Prophecy News](#) on [2022/06/07](#)

**EVERYONE MUST PREPARE!  
FOOD WILL BECOME SCARCE  
FAMINE IS COMING TO AMERICA  
AND THE WORLD. NOT JUST A FAMINE  
FOR FOOD, BUT A FAMINE  
FOR MY WORD**

- **Everyone must prepare! Food will become scarce and a famine is coming to America and the world. Not just a famine for food, but a famine for MY WORD.**
- **Clean drinkable water will also become insufficient for the need. Many water reserves will be poisoned.**
- **When people are starving, they will do anything for food and water. The enemy wants all people to come to them for all of their provisions, so that everyone will be forced to rely on them only.**
- **But you must not! You must rely on ME, Your SAVIOR only! For when food and water and other supplies run out, I will be your supply. You, your family, and all that trust in ME will be well taken care of, for I love you with an everlasting love!**

## **Summary**

The people of Ukraine are suffering greatly from this war – a proxy war between two superpowers in which they unfortunately are the battlefield. Because of our direct involvement in provoking this war and supporting Ukraine with military and intelligence assistance, **we are in this war as well, although it has not made it to our shores - yet.**

**Let us pray for the people of Ukraine,** and for our leaders to make the right decisions and push for this war to come to an end, and for President Putin to have restraint and end the hostilities.

**But we must first be on our face in sorrow and repentance – as individuals and as a nation, for our Lord uses nations to chastise His people when they are unrepentant and in blatant sin, as our nation is.**

And let us be not troubled, but seek peace from the Lord, the peace that transcends all human understanding and all circumstances:

**“Peace I leave with you, My peace I give to you; not as the world gives do I give to you. Let not your heart be troubled, neither let it be afraid. *John 14:27*”**

**Be bold, be strong, be courageous, and walk with the Lord.**
