If You Have Already Taken the Covid-19 Vaccine, PART I - Your Health is in Danger

Introduction

Many people I know have taken the Covid-19 vaccines and boosters. It is a logical thing to do when we listen to the government, media sources, medical establishment, and often our own doctors encourage us to take the vaccines in order to be safe.

But we know more about the vaccines now, what they really are, their side effects, and the agendas behind them. I am a scientist and have spent many years critically examining issues and their underlying dynamics. I have discovered the vaccines are not good, as confirmed by the many articles by authoritative sources below. If you have taken the shots, I pray that you will be able to stay healthy in spite these injections.

For everyone who has taken the vax, I have discovered one key action step that you must take now, before it is too late. You have a short window of time in which you can act. But if you wait too long, the window will close and your destiny will be sealed. I realize this sounds dramatic, but the stakes are high – your life, and the time is short. Before I reveal to you what that one action step is, I must provide some background about COVID-19 and the vax. As always, do your own research, check out multiple sources, question everything and everyone, and take everything to the Lord.

Key Point #1: Covid-19 Vaccines Are Neither Effective Nor Safe (Shocking Results of Vaccines)

Not only are the **vaccines and boosters not effective or safe, they are actually dangerous.** I realize that what I am sharing with you contradicts what you have been told over and over by the media and government authorities. And you may have taken the vaccines and boosters and be doing just fine – for now. But I urge you to consider the following, and check things out for yourself:

[Vaccinated population accounts for 92% of COVID-19 deaths in Canada](#)

- Recent official figures published by the Canadian government revealed that **the vaccinated population now accounts for 92 percent of the Wuhan coronavirus (COVID-19) deaths across Canada.** Nearly half of those deaths are among the quadruple jabbed population. Between June 9 and June 19, there were **4,954 COVID-19 deaths recorded and the vaccinated population accounted for 3,796 of them.** The 135 deaths were among the partly vaccinated, 1,174 deaths among those who had two shots and 2,487 deaths among the triple vaccinated.
- In summary, the unvaccinated population accounted for just eight percent of the deaths, but the vaccinated accounted for 92 percent – 44 percent of which were among the quadruple jabbed and 45 percent of which were among people vaccinated thrice.

Situation Update, Feb 1st, 2022 - Life Insurance Payouts Skyrocket 258% as Post-Vaccine Deaths Rapidly Accelerate

Life insurance company AEGON, a Dutch company reported that their life insurance payouts for the third quarter of 2021 were 358% of what they were pre-covid.

COVID Jab Deadlier Than COVID for Anyone Under 80

Vaccine injuries aside, considering only deaths, at what age does the COVID jab even make sense? Don't let anyone tell you the mRNA shots save lives until you see the data for yourself.

Large German Insurer Reports Staggering Rise (2,937%) in Adverse Effects from COVID-19 Vaccines

According to the German Techniker Krankenkasse insurer, the number of cases of vaccine-related adverse effects needing medical treatment skyrocketed by 2,937% from 2019-2020 to 2021, an extraordinary increase.

Shocking: UK Government Admits COVID Vaccinated Children Are 4423% More Likely to Die of Any Cause & 13,633% More Likely to Die of COVID-19 Than Unvaccinated Children

The UK Government has quietly confirmed that the Covid-19 vaccines are killing children at an unprecedented rate.

Shocking figures contained in an official report reveal Covid-19 vaccinated children are 4423% (45x) more likely to die of any cause than unvaccinated children and 13,633/137x more likely to die of Covid-19 than unvaccinated children.

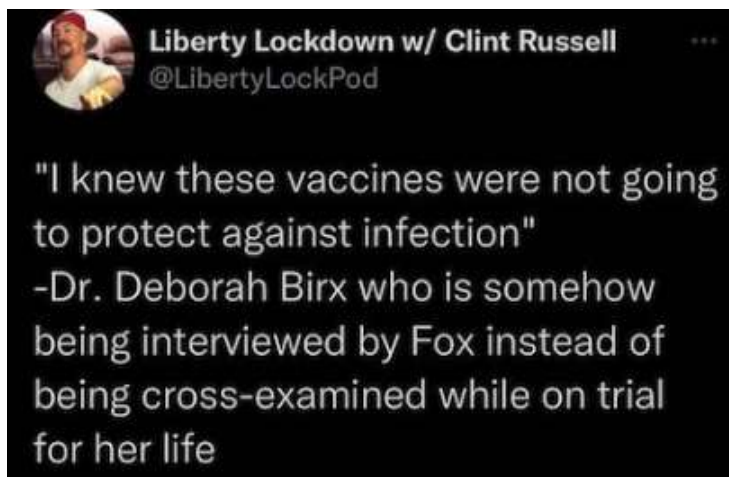

Report: 44 Percent of Pregnant Women in Pfizer Trial Lost Their Babies; FDA and CDC Recommended Jabs For Expectant Mothers Anyway

- **More than 40 percent of pregnant women who participated in Pfizer's mRNA COVID vaccine trial suffered miscarriages, according internal Pfizer documents, recently released under court order. Despite this, Pfizer, and the Biden administration insisted that the vaccines were safe for pregnant women. In the past, only 10 to 15 percent of known pregnancies ended in miscarriage.**

- **“Pfizer took those deaths of babies—those spontaneous abortions and miscarriages—and recategorized them as recovered/resolved adverse effects,”** Wolf told Bannon. “In other words, if you lost your baby, it was categorized by Pfizer as resolved adverse event, like a headache that got better,” she added.
- **Therefore, the FDA had this data nearly a year and a half ago, and instead raising an alarm, they, along with the CDC, went ahead and recommended the experimental injections for expectant mothers anyway.**

It's Not Safe or Effective

- **Fauci is the highest paid government weasel on the planet; takes kickbacks from the drug companies for pushing their products; funded the bio-weapon released on the world in late 2019; has lied and deceived about the origins, effectiveness, and safety of the jabs; has effectively murdered hundreds of thousands by his actions; suppressed the use of ivermectin and hydroxychloroquine because they worked and would eliminate the need for an EUA for the Pfizer, Moderna and J and J jabs; and continues to fear monger about a virus that is no worse than a bad cold for 99% of the people who catch it.**

NOTE: President Biden has just caught COVID-19 for the second time, even though he was fully vaccinated. See [Biden tests positive for COVID-19 again](#). And Dr. Fauci tested positive for COVID-19, even though he was quadruple vaccinated: [Quadruple-vaxxed Dr. Fauci tests positive for COVID-19](#).

Nothing says
"Trust the Science"
like asking for the data
to be hidden for
75 years

- **Every method of "stopping the spread" sold to the masses as effective has proven to 100% ineffective.** Mask mandates failed miserably. The CDC and Fauci knew masks didn't work. We have studies and interviews with Fauci on tape saying so.
- **They said the mRNA vaccines did not alter your DNA. That was a lie. We now know they do.** The spike protein causes all kinds of havoc in the human body.
- They said their clinical trials proved these mRNA potions were safe and effective. **Pfizer and the FDA then tried to hide the trial data for 75 years. Why would they do that if their data proved their claims?** Luckily a judge forced them to release the data.
- They needed to hide the data because it proves these vaccines are extremely dangerous and completely ineffective in stopping this virus

or any virus. The animals tested with the poison kept dying, so they stopped testing them. Test subjects died or were injured by the vaxxes. These trial results should have shut the entire operation down, but billions in profits were on the line, so what were a few million deaths from the vaxxes.

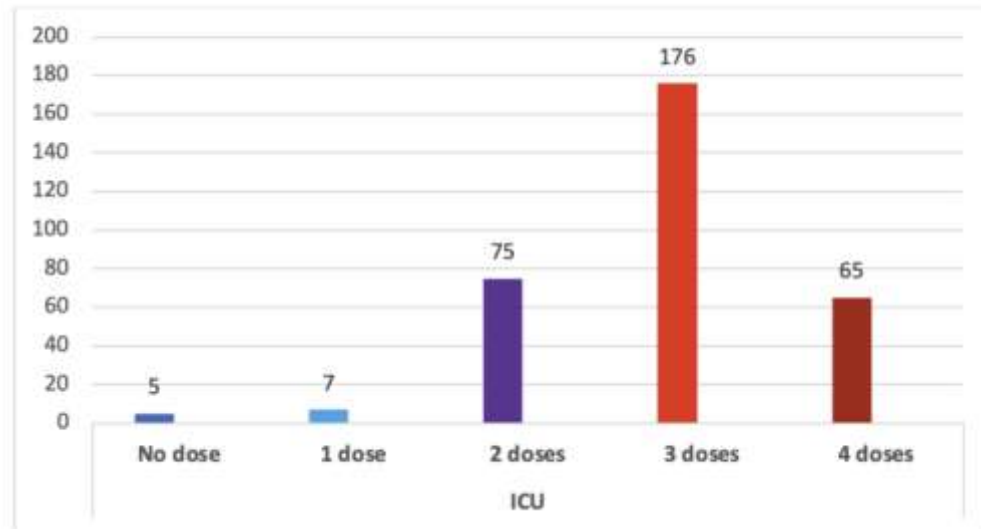

- They have lied about the number of Covid deaths in order to pump up fear and profits. They claim 1 million people have died from Covid. That is an outright lie and the CDC knows it's a lie. They estimated that only 6% of the deaths were directly from Covid.

A Pandemic of the Triple Vaccinated

BY BRYAN LUTZ ♦ JULY 28, 2022

- Deborah Birx was the White House Covid-19 response coordinator under President Donald Trump. Jeffrey Tucker recently wrote a brutal takedown of her deliberate misrepresentations of science and data in order to manipulate Trump into going along with her preferred but misguided policy interventions to deal with the Covid outbreak.
- We have now had both Dr. Fauci, the public face of the US management of the pandemic, and President Biden himself get infected with Covid, despite both being double-vaccinated and double-boosted.
- A report from the Dutch health ministry found that the effectiveness of two doses of vaccines after one year had fallen overall to 0 percent against hospitalizations and minus 20 percent against ICU admission.
- In New South Wales, Australia, in the final week of this seven-week period (May 28 - July 16, 2022), of those whose vaccination status was known, there were exactly zero – zilch, nada – unvaccinated people among the 624 hospital and 59 ICU Covid-19 admissions, compared to 615 with two, three and four vaccine doses in hospital and 58 in ICU beds. Just the triple-vaccinated, who account for 68 percent of the population of NSW, made up 57.5 percent in hospital, 53.7 percent in ICU and 53.5 percent of the Covid dead.

Patients Admitted Into ICUs in New South Wales

- Are we into the era of the pandemic of the triple-vaccinated? The biggest strain on New South Wales hospitals and ICU beds is coming from their numbers [the triple-vaccinated]!

Miscarriages and Cancer up 300%, Neurological Problems up 1,000% Due to Covid “Vaccines”

Three military doctors from the Department of Defense (DoD) who have access to vaccination data that has been withheld from the general public revealed that **[among the vaccinated], miscarriages have increased by 300 percent over the past year, as have cancers. Neurological problems increased 1,000 percent during the same timeframe.** “Our soldiers are being injured, experimented on, and sometimes possibly killed,” Attorney Thomas Renz explained.

Post-Mortem Examinations Find Massive Blood Clot Biostructures in Bodies of the Vaccinated

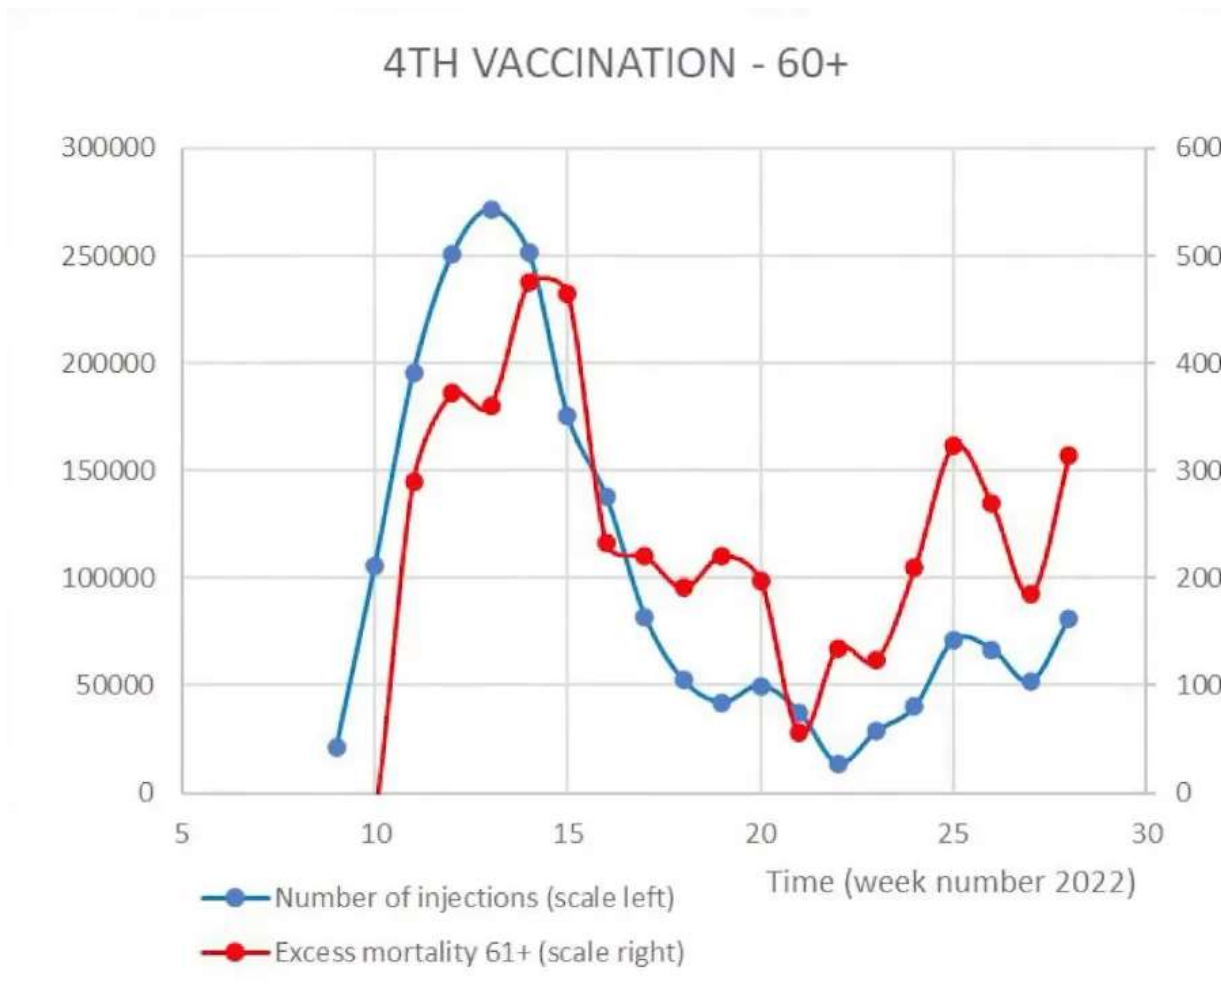

- More and more evidence proves that people who are fully vaccinated and boosted against the Wuhan coronavirus (COVID-

19) are dying due to blood clots forming in their vascular systems.

- Even mainstream doctors are now admitting that the COVID-19 vaccines are causing blood clots and that they may have many victims. (Related: [COVID-19 vaccine shedding can harm the unvaccinated and cause serious health problems like fist-sized blood clots.](#))
- Dr. Sanjay Verma, an adult cardiologist practicing in Coachella Valley, California, sees hundreds of patients a month. Of these patients, **dozens come in with heart complications and blood clots connected to the vaccines.**
- Greg Reese of *InfoWars* noted that the blood clots being found are not clots in the normal sense. **“These are not blood clots. They appear to be some sort of organic material with small crystals and extremely thin wires made up of what looks like reptilian scales,”** he said.

Data Doesn't Lie: mRNA-Vaccines and Correlation to All-Cause Mortality

We do not know what is exactly related to vaccination, so that's why we look at all-cause mortality, and in the Netherlands **now it's very clear that there is a good correlation between the number of vaccinations that are given to people and the number of people that die within a week after that. See the following chart:**

[An Unexpected 40% Increase in 'All Cause Deaths' in 2021 Among 18 to 49-Year-Olds](#)

Posted: February 2, 2022

Several US life insurance companies have recently revealed an overwhelming unexplained increase (40%) in “all-cause deaths” amongst 18 to 49-year-olds. Three physician “whistle-blowers” have just released real data from the DoD, drawn from the following clinical diagnosis codes. The increases found are from 2021, compared to the five-year average from 2016 to 2020:

- **Myocardial infarction: 269% increase**
- **Miscarriages: 300% increase**
- **Bell’s palsy: 291% increase**
- **Congenital malformations: 156% increase**
- **Female infertility: 471% increase**
- **Pulmonary embolisms: 467% increase**

- **Neurologic abnormalities: 300% increase**
 - **Cancers: 300% increase**
- In this video, Dr. Kelly Victory discussed the surprising findings. As of now, the CDC has not explained this data.

666 Cases of Heart Disease in 12 to 17-Year-Olds After COVID Shots – Less than 2 Cases Per Year Following All Vaccines for Past 30+ Years

NOTE: There is so much evidence that the vaccines are dangerous – check out these headlines – they are hotlinks to articles:

Summary

We live in a time of rapid change and massive deception. So it is imperative that we draw close to the Lord for peace, joy, discernment, and guidance. And always remember that we are not to live in fear:

“Fear not, for I have redeemed you; I have called you by your name; you are Mine. When you pass through the waters, I will be with you; and through the rivers, they shall not overflow you.

When you walk through the fire, you shall not be burned, nor shall the flame scorch you. For I am the LORD your God, the Holy One of Israel, your Savior. *Isaiah 43:1-3*

Part II – “Covid-19 Vaccines Change Our DNA and It Was All Planned” is coming soon, as well as Part III, that addresses the spiritual dimensions of our current situation (and includes the key action step). I hope you will join us.

Be bold. Be strong. Be courageous and walk with the Lord.

Mark

Mark Peterson, Ph.D.
