**Our nation is facing several severe shocks in the very near future. As always, question everything, do your own research, and take it to the Lord for confirmation and guidance.**

### **Economic Shock Wave: Get Ready – Caroline Diadem**

Posted by [444 Prophecy News](#) on [2022/11/10](#)

November 8, 2022

*Caroline Diadem is a Christian who lives in Ireland. You can see her blog at [CAROLINEDIADEM.BLOGSPOT.COM](http://CAROLINEDIADEM.BLOGSPOT.COM)*

*You can see this as a video by clicking on the title hotlink above.*

I heard the Lord say:

- There is a big shock coming to the church, like a wave has come in over the people.
- I feel the wealth of the USA is really falling. We are not seeing it and it is not being spoken about, but **the stock market is really about to plunge.**
- There is a lot of things which I believe Putin has done. **The linchpin has been pulled that is causing America to fall with regards to its wealth.**
- **It has to do with killing the value of the dollar and the dollar is plunging. I think the linchpin that is being pulled is [the elimination of the] petrodollar, the money that oil is being traded in.**

*[NOTE: Saudi Arabia, the key player in OPEC and the petrodollar, has just agreed to sell oil in several currencies, so other nations will no longer need U.S. dollars to purchase oil. In addition, they have lined up 100 more countries to dump the dollar on the same day – it is called Project Sandman. As they dump their dollars because they are a depreciating asset that is no longer needed, it will cause hyperinflation as the value of the U.S. dollar crashes. Here is how it works - if we lived on a desert island with seashells as our currency,*

*then some guy dumps huge truckloads of seashells in town, our own seashells would plunge in value. With stocks, bonds, real estate, and crypto also going down, precious metals, precious metal mining shares, commodities, and food will become more valuable.]*

- I have a very strong sense that **America's wealth is evaporating it is being hit so bad and soon. I'm talking not years here, I'm not talking months, I'm not even talking weeks. I never put times on things but I'm sensing this is urgent.**
- **Really soon we are going to see the stocks plummet.**
- **They are going to allow something [like housing] take a hit because this nose dive is imminent.** They are going to allow something to take a big hit to try and hold up the market, to stall it to give them a little bit more time because the finances are collapsing.
- This is my warning now, that this is only a temporary measure. **We will see something taking a big hit and when you see that know this that the Lord is showing us this sign. The hit that follows this initial hit will be a complete collapse of the stock market.** The bottom is gonna fall out right; I want to emphasize that.
- Listen folks it's coming quickly, there is no escape, and there is no rescue to it.
- **Something will take a hit to garner time, but after that you can be sure it's going to be full-on collapse. This bubble is going to pop and bring such destruction, such catastrophic destruction, that you cannot imagine.** It is going to be like a tidal wave that is going to hit and cause a massive tidal wave of destruction. It is an economic destruction. It will be devastating.
- This is very, very significant and this is what the Holy Spirit was revealing to me.
- **So get food, get water, get items that you will need that will carry you through three months at the very least,**

**because it's going to get tough. It's going to get viciously hard.**

- **Heating – you will need fuel – coal, wood, or oil; you will need fuel. I know it's expensive but get your bunkers full, because it's gonna get worse.**
- **When this happens you won't be able to buy anything. Get your fuel in order now. Don't delay, because you think it's too expensive get it now. It's going to skyrocket, I'm telling you.**
- **Get your fuel; get your coal filled up, your fuel filled up. Fill it to the brim and fill it more than you can possibly fill it that's going to be like treasure, especially if you're in a cold climate.**
- **Now lighting – I felt the Lord prompt me on lighting. Get candles, get alternative lighting methods.** Food, oil, water, and lighting - I'm just asking the Lord what would be significant - any kind of props that you need for how you live your life; get them.
- **Anything that you need fixing, get it done now. Spend your money now for anything you need to fix – NOW NOW NOW, because you will not be able to do it when things go belly up.** Things that you have been procrastinating on getting done, get it done now. Just get it done now. Just get it done.
- **This could happen anytime; this is such an urgent call; this is very urgent. I'm telling you because the economies are going to go down. America is done!**
- **America is done, and the scheming, slimy, slippery, power-mongering deviants know this is coming. They are not warning anyone and I really felt the anger of the Lord over this. They're not warning about the disaster that's about to emerge.**
- They are not helping anyone, so God will curse them. God won't help them either.
- **God will help you if you look to Him. Guys, this is an urgent warning. Please get this out to others.**
- **If you are in a territory where you need guns, get your guns.** Have your guns ready. Make sure you get your guns for protection.

Make sure you're protected. If you need barricades or walls around your house, if you need to fix your gates or your fences get it done. Fix your windows; get it done.

- **Get your house in order. Get it ready, get it ready, get it ready.**
- **Get your locks and your doors. Have your guns ready, have your walls and fences built around your house to protect you. Have double locks if you can get them. Get them for your gates and your doors this is because chaos is going to break out.**
- **The world is not going to be the same after this.**
- **Medicines - get medicines. Have medicines that you can wean yourself off slowly** if you need to have extra medicines, first aid, and all the things you might need, get them ready. **Get them ready. Get them ready.**
- **So folks, this is going down, it's going down, it's going down.**
- **This is such an urgent message that the Lord gave to me two days ago** and I wanted to come on as soon as I possibly could to get this out to you.
- **Please folks, take this serious. It's an urgent warning, a warning from the Lord.**
- **World war is coming as well.**  
I don't know how Ireland's going to be attacked. I don't know how the different parts of Europe are going to be attacked. God showed me France and UK are going to be attacked with bombs. I don't think they are nuclear, but at some stage I saw that for sure, as the Lord showed me that. **It's America for sure [that will be attacked].**

**God bless you all, and trust the Lord at this time. We don't have to fear, just trust in the Lord. God has us, you know. Ask Him what you need to do as I have to, and each one of us have to, because we're all in different countries.**

**God bless you all**

## **Collapse of the Dollar**

Posted by [444 Prophecy News](#) on [2020/12/21](#)

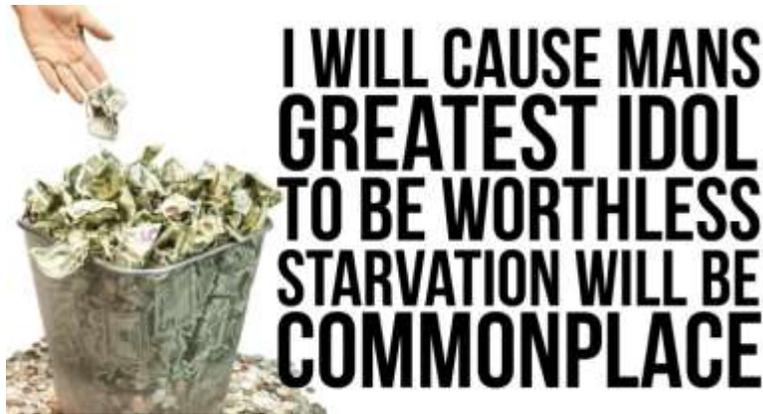

- **(Vision/Word) BIG CHANGE IS COMING...COLLAPSE OF THE DOLLAR.** We are going to endure something very challenging, but He has got this and we just need to cling to Jesus to make it through.
- **(Dream) An event is coming where our currency will become worthless.**
- **(Vision) I heard the Holy Spirit say “BRACE FOR IMPACT”.**
- **“BE STRONG IN THE LORD AND IN THE POWER OF HIS MIGHT.”**

**REVELATION 6:5** When He opened the third seal, I heard the third living creature say, “Come and see.” So I looked, and behold, a black horse, and he who sat on it had a pair of scales in his hand. 6And I heard a voice in the midst of the four living creatures saying, “A quart of wheat for a denarius, and three quarts of barley for a denarius; and do not harm the oil and the wine.”

## **Repent and Call on Me Before the Hour of Destruction Comes**

Posted by [444 Prophecy News](#) on [2022/11/12](#)

- **I will cause man's greatest idol [THE U.S. DOLLAR] to be worthless.**
- I see man storing up treasures for himself. I continue to see the wickedness and unrepentance.
- **In one hour destruction will wipe out all his treasure.**
- **As in the past food lines will be seen. Bread and milk will be so costly it will be unaffordable for most. Women with babies will be seen crying in the streets. No one will come to their aid.**
- **Starvation will be commonplace. Many will take their own lives.**
- **Those who have heeded My warnings and called on Me will be spared and comforted because money is not their master. Man cannot serve two masters.**
- **REPENT AND CALL ON ME before the hour of destruction comes.**

## TRUCKS AND TRAINS AT A COMPLETE STANDSTILL

## PEOPLE WILL TAKE TO THE STREETS

The hour of travail not seen in centuries – IT'S TIME! Watch and see those who stood in front of the congregations FALL. So much sadness, so much woe.

**Judgment is at hand.**

Libya will be in the news for much scandal ensues between them and the U.S. because of U.S. interference in that nation.

**You [United States] choose to align and interfere with My nations against My will. It is not your right to command the nations. IT IS MINE.**

**You overplayed your hand and caused much destruction in your wake. So now it is your TURN:**

- PULPITS AND PODIUMS TO TUMBLE DOWN,
- YOUR PLACE IN THE WORLD IS FLAILING
- **Trucks and trains at a complete standstill.**
- **COMMOTION WILL ARISE**
- **People will take to the streets**

**Blessed are those who have stood the test of time.  
Blessed are those who have heard My call.**

You are not to fear destruction in the wake of war, America.

## **Gas Gang Dream in 2021 – Diesel Inventory is Low – Scott**

Posted by [444 Prophecy News](#) on [2022/11/02](#)

**WHEN DIESEL GOES  
THE USA GOES WITH IT**

**This diesel shortage is all by design and true order out of chaos. Diesel is a key of a healthy USA economy.**

### **Diesel Shortage Could Shut Down Everything**

**Everything in the USA runs on diesel and when diesel goes, the USA goes with it. Grocery stores have two-to-three-day supply of food. In these troubling times, gas / diesel will be precious commodity only second to food.**

### **Biblical Point of View**

**I think the limited diesel supply (only 25 days of supply) is Seal 3 / 4 priming. The US military runs on diesel, and we have been giving many of our strategic missiles to Ukraine. From many dreams and evidence, we are getting primed to be invaded by China, Russia, and Cuba, and overthrown from within.**

# Rachel Will Weep – Kim Chadwell

Posted by 444 Prophecy News on 2022/07/19

*Massacre of the Innocents Painting by Luca Giordano (1635-1705)*

I woke up during the night to the words “*Rachel will weep.*”

- Eggs will soon be extinct, barrels of chickens burned, sheep should be shot, bees must be burned, meat rots at the market, freezers lose freon, packaging plants are plucked, trains are trouble, ports are problems, truckers can't truck, farmers are framed, no ammo is announced  
And having a gun gets you Guantanamo.

**DO YOU UNDERSTAND:**

- THE PLAN IS FOR YOU NOT TO LIVE?
- THE PLAN IS TO LOCK YOU IN?
- THE PLAN IS FOR YOU TO NOT GET OUT?
- THEY WANT THE CHILDREN?

Don't believe me? Watch how China with MILLIONS more people is doing it. The food is almost gone. The only way to get the population down is through disease and a violent reaction making it OK to shoot to kill and lock everyone in.

It is no longer Have. A. Plan. It's now **DO YOUR PLAN.**  
**THIS IS COMING AT FULL SPEED;** the next time will not be a test run.

Judgement upon a nation who left its God is here.  
Poison water and disease is coming.

## Instructions to the Holy People

### Entrance to your homes

Put salt on the **OUTSIDE** edge of your threshold.

Put your Bible **ON** the threshold.

Put oil **INSIDE** your threshold.

Have the man of your home pray over the oil first. Have him put the oil inside the threshold. **HE** places the Bible on the threshold. **HE** puts salt outside the threshold. **HE**

**prays.** Women do not take over – his prayer, however simple, will be received. Do not hold back in asking your husband to do this. The Lord told me they will respond.

If there is not a man in your home the oldest believing woman is to do it.

Do all thresholds to your home.

Place scripture above your doors. Handwritten if possible.

Even a framed scripture.

### Inside your homes

Get the evil and filth out of your homes – **ANYTHING THAT REPRESENTS EVIL:**

- Dirty movies and movies with bad language
- Books with bad language or poor topics
- Sculptures, statues, candle holders
- Any jewelry, trinkets, or pictures
- Books/photos/statues of any kind of other gods
- T-shirts, Sheets, blankets, pillows, murals.
- Photos of filth. (Family photos with filth)
- Pornography
- Illegally received merchandise
- Stolen money or “treasures”, jewelry, clothing, even food.
- Messages, letters or emails where you have lied.
- Dishonest resumes.

Clean. The. Filth. From. Your. Homes. DO. IT. NOW.  
The Reaper is coming. The strike to the firstborn is coming.  
All homes must be consecrated and marked.

Repent, clean your homes, and clean your life. Weep and wail  
before a holy God, for the hour of the clock has struck. Get  
where you need to be NOW.

## Necessary Provisions for You and Your Family – Hisforgiven1

Posted by [444 Prophecy News](#) on [2022/06/07](#)

**EVERYONE MUST PREPARE!  
FOOD WILL BECOME SCARCE  
FAMINE IS COMING TO AMERICA  
AND THE WORLD. NOT JUST A FAMINE  
FOR FOOD, BUT A FAMINE  
FOR MY WORD**

The Lord will take care of His own

- I feel that the Lord is telling us that a severe water shortage is soon coming. But I know in my heart that our Lord and Savior will take care of those who believe in HIM and belong to HIM. Cup your hands and drink freely from the Living Water of Life. Lift up your head and look up for your redemption draws near.

**Start Preparing NOW**

- The enemy wants all people to come to them for all of their provisions, so that everyone will be forced to rely on them only. But you must not! You must rely on Me, your SAVIOR only! For when food and water and other supplies run out, I will be your supply. You, your family, and all that trust in Me will be well taken care of, for I love you with an everlasting love!”

- **Clean Drinkable Water** - Clean drinkable water will also become insufficient for the need. Many water reserves will be poisoned. When people are starving, they will do anything for food and water.
- **Meteors, Volcanoes, Lava** - The skies will be darkened and many brightly burning meteors will fall from the sky, like a meteor shower. Trees will burn in large numbers. Volcanoes will spew lava high into the sky and in large quantities, and mountains will burn when lava falls. It will fall on water reservoirs and drinking systems, causing the water to become undrinkable.
- **A New Disease** - A new disease that will eat the skin, will break out in western countries, as a form of punishment for touching the Apple Of God's Eye, (God's Covenant People – those who have received Christ).
- **Yes! War is coming to America.** “What will you do when food and clean water is not available? Do you know how to believe ME and trust ME to provide for you? I will provide for those who are MINE, those who seek ME daily with their whole heart.”
- **“Do you help the poor and cloth them when it is cold? Do you help the needy, the homeless, the widow and the orphan? If not, then who will help you?”**
- **California will be hit soon.** Next, I believe California will be hit very soon. Many believers in California will soon be taken to Heaven when destruction comes.
  - **Parts of the west coast will break off and fall into the ocean. I feel California will be hit the hardest, possibly two-thirds of California will be destroyed, with much of the land breaking off and disappearing into the Pacific ocean.** This great loss of life will cause anguish and pain for those left behind who have to deal with this. Many will lose jobs, homes and loved ones. They will need shelter, food, clothing, compassion and medical help as they try to cope with the loss of their friends and family.
  - Many states and countries rely on California for food, especially through the winter months. This loss will affect the whole world.
- **Seek for My protection. It will come, are you ready?”**
  - “Do you hear the VOICE OF MY SPIRIT now, while you are living in relative peace? If not, then how will you hear MY VOICE in the midst of chaos, disaster and war?”

### Prepare for Famine

- **Famine is coming** - The LORD is saying, we must store food and water, for the coming food shortage, which will quickly turn into a famine.

- **Then food will be unaffordable** - After this happens, you will not be able to afford to buy food. As you can see we are already having some shortages of food, and prices are already increasing. Please prepare now while there is still some time left!
- **The famine has been planned for years** - The global elite have been planning this famine for several years. They have been storing food in their underground cities for a long time. **Their plan is to eliminate 90 percent of the population of the world, especially in America.** They are well on their way with the millions world-wide who have died from their poisonous fake vaccines.
- **No pre-trib rapture** - many of you have yet to realize that you are in the end times and that there is no pre-trib rapture that will take you to heaven before things get bad.
- **Many of God's people have already died from the poisonous vaccine** because they didn't pray and seek God for an answer, but they believed the lies on TV and the media and the evil "big pharma".
- **If you are a believer in the LORD JESUS,** (YESHUA, our MESSIAH), we must awaken many to come to salvation, for our chances to do this are quickly running out. We must not waste any more time.
- **If you are not a believer in the LORD JESUS,** now is the time to get saved.
  - **First, you must repent of your sins, and repent daily from now on.**
  - **Then you must believe that JESUS, the creator of heaven and earth, is LORD, and receive HIM as LORD of your life.**
  - **Invite HIM into your heart and life and HE will save you and give you eternal life.**
- **Those who reject HIM will end up in hell and the lake of fire for eternity** when they die. Please read John 3:16-18 in the Bible. Then read the whole Gospel of John, to give you a much better understanding. Please take these warnings seriously.
- **You must prepare now!** As seasons change, food shortages will greatly increase. Crop failures and drought will continue. You must prepare now! **Store up as much food and water as you are able. Make this a priority!**
- **Drink distilled or filtered water only.** Where we live, they poison tap water with sodium fluoride and other chemicals. I like the Berkey water filter best, but at least have something that will take the fluoride out of your drinking water. Distilled water is the best to drink and cook with, but if you buy distilled water, I prefer to run it through a Berkey water filter to get all microplastic particles out of the water. You must be careful about your health.

- **Also eat organic food only**, grow your own if you can. Avoid all genetically modified so called food, (GMO garbage). If you eat out, BEWARE! They do not feed you organic food!
- **You may not be able to make calls to your family.** [Go to [sat123.com](http://sat123.com) for satellite phones.]
- **Keep your gas tank full**, and if you store extra gasoline, store it in a proper gasoline container, in a shed away from your home or garage. If you live in an apartment, and you wanted to store some gasoline, find a family member or a close friend you can trust to store any extra gasoline in their shed.
- **Trust in the Lord Jesus Christ** - Remember, when things get bad, the LORD JESUS CHRIST, YESHUA HaMASHIACH, is the only ONE that you can completely trust who will never let you down. I believe HE will help and provide for HIS Children who have proven faithful in their walk with HIM.
- **There are many people who are receiving medical care in their homes**, who need electricity for their medical equipment. They will have to go to a hospital to continue needed medical care. Possibly an outside external generator can be set up to provide electrical power for your medical equipment. This should be done now, and it must be an extremely quiet running generator in a very secure area or it will quickly be stolen from you.
- **You will need to have the ability to make a small fire to boil water to be able to cook food for you and your family.** A propane powered Coleman two burner stove should work great for you, Be sure to have plenty of one pound propane cylinders on hand or have the connections to hook up a twenty pound propane canister to your Coleman Stove. Always use these stoves outdoors. Think of ways to keep warm in the winter and ways to keep cool in the summer.
- **Battery powered fans for the summer** - There are battery powered fans that would help in the summer. They use D cell batteries.
- **Restock your emergency kit with fresh batteries, canned foods and other supplies you used.** Keep well stocked emergency survival kits in the home, at work and in your cars.

### Prepare for Grid Down and No Electricity

- **You must prepare for blackouts.** When the LORD told me that the wicked elite would cut off electrical power to the USA, I asked HIM, for how long? Will electrical power be cut off for ten days or so, I asked. **The LORD replied, "Prepare for at least six weeks**, in some areas that won't be long enough, but some areas will have power back on before six weeks. Some will lose power permanently, others will have

power off and on. It is all done on purpose to increase death and destruction of the people in the USA.”

- **Practice grid down** - All of us need to practice living without electricity for a day or two. Take good notes and make corrections where needed and develop new ways to make living off grid easier. Please do this ASAP.
- **Build an emergency preparedness kit** - Here are some ideas and tips on what to do before, during and after a blackout. Build or buy an emergency preparedness kit, including a flashlight or two, batteries, cash, first aid supplies, the more first aid supplies of different items the better.
- **Make sure you have alternative charging methods** for your phone or any device that requires power. A crank or solar powered radio/flashlight/cell phone charger is a good alternative to battery powered ones. Always keep your cell phone charged and have a supply of batteries on hand. Know where the manual release lever of your electric garage door opener is located and how to operate it.
- **Have a supply of flashlights** - Be sure you have several dependable flashlights with plenty of extra batteries. Understand there will come a time in many areas where EMP's will be used and batteries may not work.
- **Purchase candles** - Please stock up on candles, smokeless if available. Have plenty of matches and lighters and fuel for lighters.
- **Be careful with candles** - When a blackout happens, flashlights or battery-operated lanterns are the safest for emergency lighting. If you use candles or an oil lamp, be very careful where you position them. Keep them far away from children or pets and nothing else close to them. Candles accidentally have burned down many homes. Leave one light turned on so you'll know when the power comes back on.
- **Keep your fridge and freezer cold** - Purchase or clean used plastic bottles with screw on caps fill them with water except for an inch or two depending on the bottle size for expansion, and fill with water. Put them in the freezer to freeze solid then put some of them in the refrigerator and keep the rest in the freezer to keep food cold longer in case of a power outage.
- **Be prepared for no functioning toilets** - When the electrical grid is down, we may have water for a day or two until the water company runs out of fuel for their pumps. Without water you won't be able to flush the toilet. So have plenty of 13 gallon plastic bags, double them and use them in the bathroom or inside a 5 gallon bucket or pail. You can purchase these with a built in toilet seat. Cover contents with kitty litter or a lot of sawdust if available.
- **Keep fridge and freezer closed** - Most food requiring refrigeration can be kept safely in a closed refrigerator for several hours. An unopened

refrigerator will keep food cold for about 4 hours. A full freezer will keep the temperature for about 48 hours.

- **Never burn charcoal for heating or cooking indoors.** Never use your oven as a source of heat. If the power will be out for a prolonged period, plan to go to another location (the home of relative or friend, or a public facility) that has heat to keep warm. Of course this applies to a local outage only.
- **Turn off or disconnect appliances and other equipment** in case of a momentary power “surge” that can damage computers and other devices. Consider adding surge protectors.
- **Only use generators away from your home** and NEVER run a generator inside a home or garage, or connect it to your home’s electrical system.
- **Avoid unnecessary travel**, especially by car. Traffic lights will be out and roads will be congested.
- **If electrical power lines are down, don’t touch them**, keep your family and pets away! Report down lines to your utility company.
- **During a blackout, throw away any food that has been exposed to temperatures above 40 degrees F** (4 degrees C) for more than 2 hours or if it has an unusual odor, color or texture. When in doubt, throw it out! If food in the freezer is colder than 40 degrees F and has ice crystals on it, you can refreeze it.
- **Contact your doctor** if you’re concerned about medications having spoiled.
- **Protect your electronics** - To protect your batteries and electronics, you could insulate a metal box with a secure cover or even a metal trash can, keep it covered and ground it to the grounding terminal in an electrical outlet plug in. Use 10 or 12 gauge wire.
- **Keep your car’s gas tank full.** Gas stations rely on electricity to power their pumps. If you use your car during a blackout to recharge devices, do not keep the car running in a garage, partially enclosed space, or close to a home, this can lead to carbon monoxide poisoning. If you rely on anything that is battery- operated or power dependent like a medical device, determine a back-up plan.

### **Summary – Time is Short – Take Action Now!**

- **Draw close to our Lord for guidance** - We must press forward in our relationship with our LORD. Be in HIS WORD daily, praying to our Savior and our Heavenly Father daily, coming to the LORD constantly for answers to questions and concerns.
- **Be discreet and don’t advertise what you are doing** - “Plan discretely for these contingencies, MY Children says the LORD, Always be

discrete in the areas of supplies, particularly for food and your safety. Always come to ME for answers, clarity, guidance. Be wise MY Children.”

- **Time is quickly running out, start your emergency preparations NOW!**
- **The destruction of California will be the beginning of the coming famine, This could happen any time now.**
- **The second judgment will occur when an asteroid hits the Atlantic Ocean near the Caribbean Islands flooding the islands and Florida and all surrounding coastal areas of the USA and Sout America.**

### **The Race of Faith**

**“Therefore we also, since we are surrounded by so great a cloud of witnesses, let us lay aside every weight, and the sin which so easily ensnares us, and let us run with endurance the race that is set before us, looking unto Jesus, the author and finisher of our faith, who for the joy that was set before Him endured the cross, despising the shame, and has sat down at the right hand of the throne of God.**

**For consider Him who endured such hostility from sinners against Himself, lest you become weary and discouraged in your souls. You have not yet resisted to bloodshed, striving against sin. And you have forgotten the exhortation which speaks to you as to sons:**

**“My son, do not despise the chastening of the LORD,  
Nor be discouraged when you are rebuked by Him;  
For whom the LORD loves He chastens,  
And scourges every son whom He receives.”**

**If you endure chastening, God deals with you as with sons; for what son is there whom a father does not chasten? But if you are without chastening, of which all have become partakers, then you are illegitimate and not sons.**
